Dear Mr Stretton,

Sponsoring a Deloitte Touche Tohmatsu Accounting Prize

Latrobe University's School of Accounting offers undergraduate and post graduate courses in Accounting. Our courses are designed to help students develop the business skills and knowledge they need to build their future careers, and meet the challenges of a rapidly changing world. In addition, the School strives to maintain high quality standards in its teaching; and scores highly in student teaching evaluations.

We have a small number of prizes available to students who excel in Accounting subjects sponsored by organisations who have links with our School and the Faculty of Law and Management. However, we have identified a gap in prizes for various subjects in Accounting and request that Deloitte considers sponsoring a prize in the order of \$300 - \$500 for the student who achieves the highest mark in either ACC3AUD Auditing or ACC3FOA Forensic Accounting. Prizes are typically sponsored for 3-5 years and a representative of your organisation will be invited to be present at our awards ceremony.

We believe that such a prize such will provide the recipient with a valuable link to a prestigious organisation such as yours and, in turn, will give Deloitte exposure to all of our top students receiving prizes. Your support will also be acknowledged on our website and other appropriate forums.

We would appreciate and value your organisation's contribution to the School of Accounting students' advancement and look forward to forging a relationship.

Please advise whether this is a viable proposition. We would be grateful if you could let us know of your decision by Friday, March 26, 2010 so that we can add it to our list of prizes for 2010 and have it ratified by the University Council. This prize will be first awarded in 2011.

Thank you for taking the time to consider this request.

Yours sincerely,

Professor Kamran Ahmed,
Head,
School of Accounting
