Staff

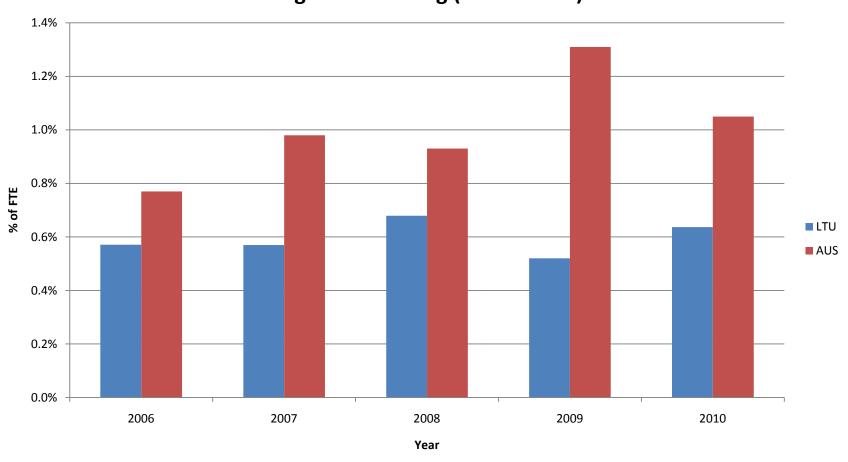

Academic Age Profile

LTU Academic Staff Age Profile as at 30 September 2010

Indigenous Employment

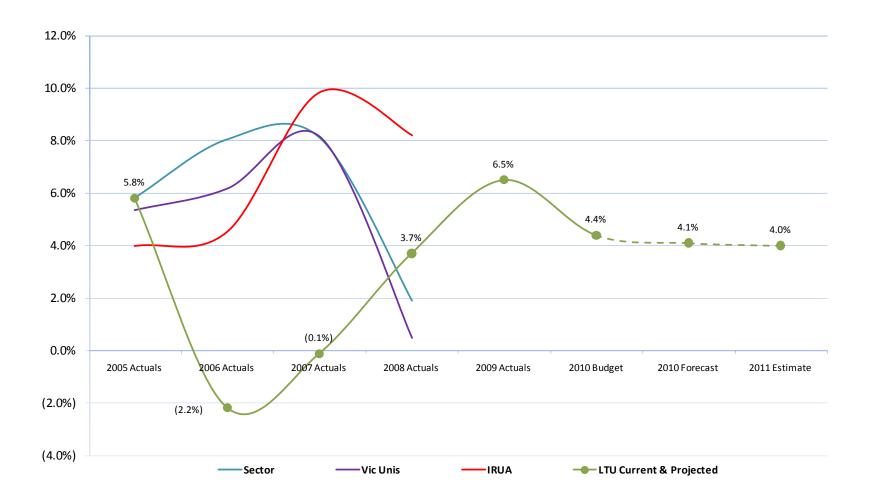

Indigenous Staffing (2006 - 2010)

Finance

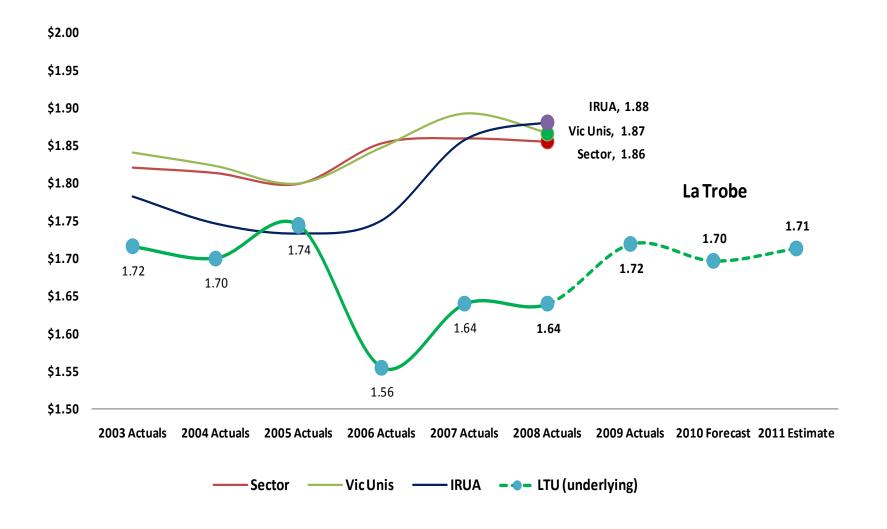

Underlying Operating Margin

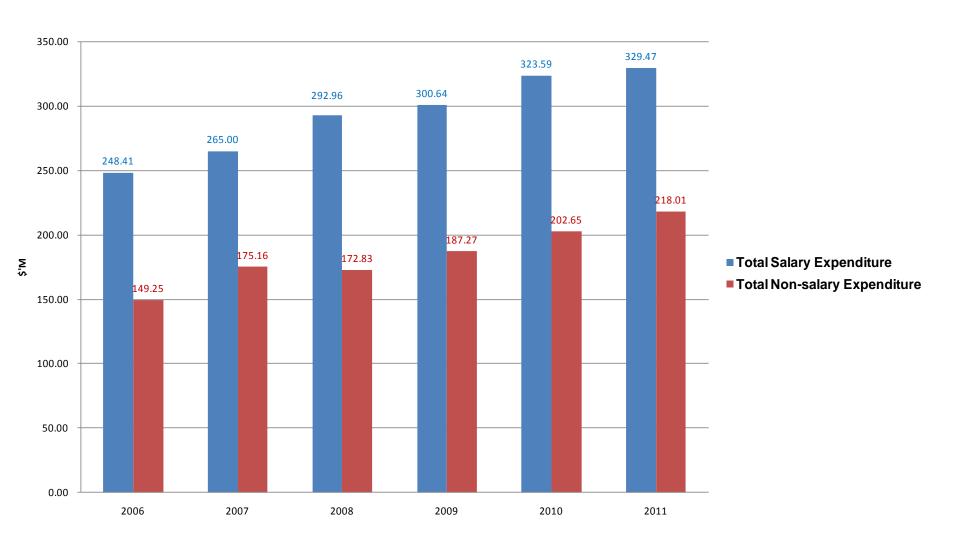

Revenue Earned Per Staff Dollar

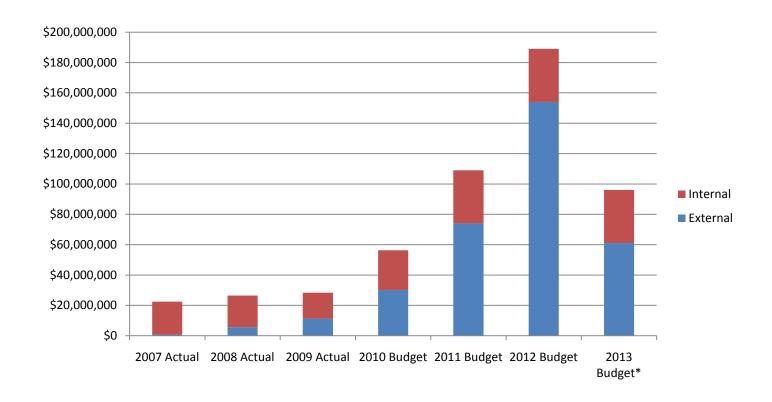

Total Salary and Non-Salary Expenditure 2006 - 2011

Internal and external capital infrastructure spending, 2007 – 2013 (budget)

There is a marked increase in the external funding of infrastructure, as well as increased University funding

Sustainability

Environmental Sustainability

- Energy consumption has decreased from 2006 levels by 13% (includes
 Melbourne, Bendigo, Wodonga)
- Water consumption has decreased from 2006 levels by 39% (includes Melbourne, Bendigo, Wodonga)
- There has been a 5% decrease in single occupant vehicles to the Melbourne campus from 2009 survey data to 2010

Environmental Sustainability (cont.)

- More than 10% of the total waste and recycling produced on Melbourne, Bendigo and Wodonga campuses was recycled in 2009.
- Recycled 20 tonnes in 2010, 5 tonnes of electronic waste in 2009, 7 tonnes in 2008
 Approximately 10,000 fluorescent tubes recycled annually
- Achieved State Government WasteWise accreditation at Bronze level in 2007 and Silver level in 2009

Administrative Reform

Administrative Reform – Objectives & Achievements

Objective:

 Improve administrative/ professional/technical services – to support academic purpose

Achievement:

- ✓ Functional reviews completed in 9 of 10 functions
- ✓ Organisational & role changes completed or well progressed in most areas

Administrative reform – objectives & achievements

- Objective: re-balance staffing ratio to 50:50 professional/technical: academic
 - ✓ achieved ratio currently 51:49 PRC review/approval for "staffing envelope" variation
- Objective: reduce administrative/professional silos
 - ✓ significant changes achieved more embedding & fine tuning to be done
- Objective: build & embed a service culture
 - more work required both practical service provision & service culture

The future ...?

Energy of Western Australia ha memorandums of understandim with universities in its state. "We or not involved in hands on develop he the courses; we certainly engage on a ad-boc basis with universities looking to develop courses," director Nicole Roocke said

The chamber is on a number of advisory boards, including Curtin University's Western Australia school of mining board, to ensure the strategic direction of the school reflects industry needs.

Ms Roocke said engineering was a critical area of skills shortage. One of the programs developed

with Curlin is targeted at indigenous school students and aims to "get them interested in wanting to pursue careers in engineering, but obviously we would love to see that as engineering in the resources sector," Ms Roocke said.

At the University of Western Australia, an energy and minerals program focuses on assisting faculties engage with the industry.

Tim Shanahan, director of the program, said the university sought guidance and input on the development of courses from a range of industry bodies.

University students who associative that case a star point global points may also be eligible for a TAFE qualification. Monash will also jointly deliver a sailor are soller post

Cambrid

COLIN BROWN JACK GRIMSTON

CAMBRIDGE University is drawing up plans to go private because it claims proposed rises in tuition fees do not go far enough to enable it to compete with the American Ivy League.

Officials told senior MPs privately last week that independence could be the only way for Cambridge to secure its global standing in the face of savage cuts in state funding and limits on the amount it can keep from tuition fees.

The move would require Camb-

ridge to provimoney the state or pays the un Cambridge £12,000 (\$19, if a recomme a member of headed an inhigher educities £3290 caproposed Towould make
