

CARR

For applicants for Master's by Research, Doctor of Philosophy and Professional Doctorate programs and/or graduate research scholarships.

Notes to the Applicant

Please save this form, complete Section 1 and email it to your nominated academic referee.

Please note that you are required to nominate two senior academic referees in support of your application for admission and that the University is unable to assess applications for admission until both academic referee reports are received.

Notes to the Referee

- You have been nominated as one of the two academic referees required by the applicant, outlined in Section 1.
- Referee's comments are taken into account when assessing an application for higher degree candidature and/or a scholarship. The University is particularly interested in your opinion of the qualifications, experience, academic and research ability of the applicant. These should be judged with reference to the applicant's peer group.
- Please input your answers to all questions in Section 2 and supply detailed comment at Question 8.
- If the applicant is applying for a scholarship, the University must receive your referee report by **30 September** for international applicants and **31 October** for domestic applicants - in the year prior to when the applicant is intending to commence studies.
- If the applicant is not applying for a scholarship, you should still email your academic referee report promptly.
- The University is unable to assess applications for admission until academic referee reports are received.
- Please **do not** return this form to the applicant. This academic referee report is confidential.

For reports related to **domestic** (Australian and New Zealand) applicants, please email the completed report to:
