

Return to Study Program for Mature-Age Students

Increase your chances of success by attending the comprehensive Return to Study Program offered by the Academic Skills Unit. This is especially geared to mature-age students and is offered prior to Orientation Week.

The program does much to prepare you for university and includes sessions on:

- note-taking from lectures and written texts
- structure and language of academic essays
- critical thinking and analytical writing
- plagiarism and referencing
- using the library
- using student services

There is a shortened program offered in the evening for students who are unable to attend the day program. Choose only one program - day or evening.
