Student Career Mentoring

An initiative of Careers and Employment
Supported by Alumni Relations

Information for Students (Mentees)

Careers and Employment invite you to take part in their **Student Career Mentor Program** for 2009. Our mentors are made up of a wide range of industry professionals, academics, La Trobe University staff and Alumni. They are keen to share their experiences, give you feedback and support you to reach your goals during your final year of study.

Aims and Objectives:

- To expand your understanding of the world of work
- To aid your career development
- To enable you to network with and learn from an interested professional

Stages in the program:

- March 27 Student applications close
 Matching of mentors and mentees
- April Introductory event and orientation (dates vary for each campus)
 Developing an agreement and scheduling your meetings with mentors
- July Mid program functions (please see form for dates for your campus)
- April- October Mentor/ Mentee meetings take place
- October Final Celebration (date to be advised)
- Evaluation and feedback

While we will attempt to match you with a mentor from your field of interest, this is not always possible. There can be advantages however to working with a professional from another area

Introductory Event Dates:

Bundoora Campus	Thursday April 23
Bendigo Campus	Thursday April 30
Albury-Wodonga Campus	Tuesday April 28
Mildura Campus	Thursday April 30
Shepparton Campus	Thursday April 23
