

# The Alpine Ecology Course 2009

This is an opportunity to learn about the plants, animals, landforms and soils that make up alpine ecosystems, in the context of land use and conservation issues. The emphasis is on practical demonstration and field experience. Most sessions are conducted in the field in small groups. A formal knowledge of botany, zoology or geology is not required – each session provides the basic knowledge needed to understand the topic.

When: Monday 16 to Friday 20 February 2009

Where: Bogong High Plains and Falls Creek Resort

Accommodation at Viking Ski Lodge ([www.vikinglodge.com.au](http://www.vikinglodge.com.au))

Shared accommodation with en-suite bathrooms

Course Fee (includes accommodation, meals, instruction and course notes):

- if paid by organisation or business: \$1285 including GST
- if paid by individual: \$1085 including GST

Applications due by Friday 21 November 2008, with deposit of \$275

Balance of Course Fee due by Monday 5 January 2009

Application Form: see next page.

The course is limited to 30 participants, who are selected according to occupation, background and location.
