

ENGINEERS  
AUSTRALIA

*This is to certify that in January 2010 Engineers Australia  
accorded accreditation to*

Bachelor of Engineering

*and*

Bachelor of Technology

*programs offered by*

La Trobe University

*at its*

Bundoora Campus

Details of program specialisations and accreditation status accorded can be sourced from the Engineers Australia website.  
The next general review of these programs will be conducted in 2014.

Graduates of fully accredited programs are eligible for admission to Engineers Australia as graduate members and to pursue  
pathways to Chartered status.

Fully accredited programs are recognised by signatories under the relevant International Accords.
