Unit Quality Assurance Report

YEAR: 2005
SEMESTER: Semester 1
UNIT CODE: ELE31EMC
UNIT TITLE: Engineering Management C
LECTURER: George Alexander
CLASS SIZE: 5

UNIT OBJECTIVES:

Develop lifelong learning skills, and develop written and verbal communication skills.

SURVEY RESULTS AND ANALYSIS OF INDIVIDUAL QUESTIONS:

This unit was not surveyed due to lecturer's unavoidable absence overseas during survey period.

DISCUSSION AND RECOMMENDATIONS REFERRING TO UNIT OBJECTIVES AND SURVEY RESULTS:

Refer below.

RECOMMENDATION(S) FOR FOLLOWING YEAR:

Improvements adopted in 2005, such as extending the research topics beyond GSM, will continue in 2006.

Due to the lecturer's absence for unavoidable reasons, the 'mock interviews' aspect were not able to be conducted in 2005. These are planned to return in 2006.
