**SECTION B: STUDENT RESPONSES TO THE QUESTIONNAIRE**

(a) Please complete the following table (with previous year's results if available)

Core Questions	
Current	Last year's
mean	mean n/a

Due to the size of the cohort no computer-generated report was not run and means are not available.

**(b) Summary of student comments on best aspects**

There was general agreement that assessment by submission of work rather than end of year exam was a good approach to this unit.

**(c) Summary of student comments on needed improvements**

Students would like to widen the availability of the subject to increase the cohort.

## **SECTION C: UNIT COORDINATOR'S COMMENTS**

### **(d) Last year's suggested improvements**

This subject was offered for the first time in 2008

### **(e) Unit coordinator's comments on the unit this year**

Although the practical work available was highly regarded by the students this unit would benefit from improved access to practical work.

### **(f) Unit coordinator's suggestions for improvements next year**

An increased scope of practical work will be attempted in response to student feedback.

**SECTION D: COMMENTS BY HEAD OF SCHOOL OR NOMINEE**

A very small class for this new unit - but well taught with material very relevant to the biomed profession.
