

# Department Scholarship for International Coursework Postgraduate Students

The Department of Electronic Engineering received three applications. All three applicants meet the essential requirements. The Scholarship Committee has made its decision based on the average mark.

We are pleased to announce that the applicant (16010762) has the highest mark (91.75) and is awarded the Department Scholarship to the value of \$3000. The other two applicants have average marks of 88.25 and 83.75, respectively.
