

OFFICIAL Examination Timetable Semester Two 2009

Friday 6 November to Thursday 26 November 2009
Bundoora Campus

Timetable Notes:

- For examinations not listed in the **OFFICIAL** timetable, please contact the relevant school or department for further details
- All Examinations are set out in alphabetical order, with the date, time and location shown beside each paper.
- Candidates should check the date, time, locations and allowable material/instructions of their examinations carefully.
- Candidates should note that it is their responsibility to observe the requirements specified in the timetable. Failure to present for an examination through misreading the timetable is not normally sufficient grounds for special consideration.
Candidates who find themselves in this situation, should report immediately to their Faculty/School Administration Office.

Timetable Publication:

Copies of this timetable are available at the following locations:

Web Site: <http://www.latrobe.edu.au/exam/bundoora/>

Students are advised to access the website in order to print any relevant pages.

Official Student Notice Boards: David Myers Building, Level 2, near the main entrance to the Student Centre.

Reading Time:

Unless otherwise specified, candidates will be allowed either fifteen (15) or thirty (30) minutes to read the examination paper before writing commences. Writing is not normally permitted during reading time.

Allowable Materials

Please note that details of the materials allowed to be taken into an examination are indicated by the allowable materials/instructions on this examination timetable.

If an item is not specifically referred to on the allowable materials/instructions list, this means that the item will be deemed as unauthorised and will not be permitted to be brought into the examination.

The only items permitted in an examination venue not requiring authorisation are writing instruments, an eraser and an unmarked ruler.

Examinations Conducted Within Departments/Schools:

In some instances, examinations will be conducted by schools /departments. In this case, the examination will not be listed on the enclosed timetable, and you will receive direct notification from the relevant department/school regarding the examination details.

Special Consideration:

- A student who considers that his or her performance in an examination is adversely affected by illness or other cause immediately prior to or in the course of an examination may inform the supervisor at any time during the examination and shall subsequently furnish in writing to the Vice-Principal (Resources and Administration) a statement containing the circumstances together with any medical or such other evidence as may be applicable **not later than seventy-two hours after the commencement of the examination.**
- A student who considers that his or her studies during a year in respect of a unit or course have been adversely affected by illness or other cause shall furnish to the Vice-Principal (Resources and Administration) in writing a statement containing the circumstances, together with any medical or such other evidence as may be applicable **prior to any examination to which such application relates.**

The application form for Special Consideration is available from, and should be lodged with, the Student Centre.

Points on Examinations

- Students are required to make themselves **available for the entire duration of any official examination period**.
- Authorised examination material is identified in the timetable allowable materials/instructions and on the examination paper. All unauthorised material must be placed in a closed, non see-through bag under your desk prior to the commencement of the examination.
- If during an examination you are found in possession of unauthorised material you could face disciplinary action. 'In your possession' means on, or next to your desk or chair, in or on your clothing, on your body, or in your wallet or purse.
- Failure to secure or hand in unauthorised material may result in a penalty for academic misconduct in accordance with the University Regulations.
- Students are not required to provide their name or signature on examination scriptbooks, examination papers and multiple choice answer sheets. Only your student number and seat number should be provided on these materials.
- Your student ID card must be displayed prominently on your desk throughout all examinations
- You will not be admitted to an examination if you arrive more than half an hour after writing has commenced
- Extra time will not be granted to any student who does not present for an examination at the correct time and place
- There must be no communication of any kind among students in examination venues. You are strongly advised not to draw attention to yourself by looking frequently at other candidates or around the venue.
- Mobile phones may not be used in examination venues under any circumstances.
