“Greek studies... gave me an opportunity to further my knowledge and appreciation of Greek culture.”

Greek Studies Program

Jonathan Cole

Bachelor of Arts (Hons) 2000

During my course I was able to take a wide range of subjects in areas such as language, literature, history and translation which not only developed my language skills to a level of fluency but also gave me an opportunity to further my knowledge and appreciation of Greek culture.

As a result of my Greek Studies, I can now communicate freely with my in-laws and other members of the Greek Community. This experience has broadened my views, as I'm now able to see things from a different perspective.

As an English teacher, I have a unique perspective on what is involved in learning a language and am constantly asked as to the languages I speak by my clients. Being bilingual gives me extra credibility in their eyes.

After began a Graduate Traineeship with the Department of Immigration and Multicultural Affairs. The fact that I am bilingual in such a widely used language proved to be a factor in both my initial application and getting the position.
