MBA Research Project

Research projects must be completed within the teaching period agreed upon between the student and their supervisor(s) at the commencement of the project. Failure to submit a research project by the agreed completion date will result in the student having to re-enrol into the next teaching period and being liable for full subject fees again.

Responsibility for completing this research project remains with the student, not the supervisor(s). Students are therefore advised to remain in close contact with their supervisor(s).

One and two unit Research Projects must be completed within a term.
Three and four unit Research Projects must be completed within an academic year.

This Research Project is to be completed by _____ (insert completion date)

Master of Marketing Management/ Honours or Master of International Business/Honours

Honours thesis must be completed within one semester. Failure to complete a thesis within the enrolled semester will result in the student having to re-enrol into the next semester and being liable for full subject fees again.

This thesis is to be completed by _____ (insert completion date)

Agreement
