HISTORY PROGRAM**

**Important information for scholarship applicants in the  
History Program**

When applying for a scholarship the History Program asks candidates to contact their intended supervisor with whom applicants should discuss their proposed topic. Additionally, in support of the application for a scholarship the postgraduate coordinator will require the candidate to submit materials to supplement those submitted to RGSO:

**A copy of the candidate's honours thesis (preferably electronically)**

and/or

**Any other theses (MA) or representative publications**

Please send these directly to the postgraduate coordinator who will also be able to assist you with any questions or problems.
