I certify that the attached material is my original work. I declare that no other person's work has been used without due acknowledgement. Except where I have clearly stated that I have used some of this material elsewhere, it has not been presented by me for examination in any other course or unit at this or any other institution. I have read the Academic Misconduct Policy, Statute 16 and Regulation 16.2 relating to Student Discipline and Academic Misconduct, which are available on the University's web site and understand that I am bound by such Policy, Statute and Regulation and that I may be subject to student discipline processes in the event of an act of plagiarism by me. I understand the nature of plagiarism to include the reproduction of someone else's words, ideas or findings and presenting them as my own without proper acknowledgement. Further, I understand that there are many forms of plagiarism which include direct copying or paraphrasing from someone else's published work (either electronic or hard copy) without acknowledging the source; using facts, information and ideas derived from a source without acknowledgement; producing assignments (required to be independent) in collaboration with and/or using the work of other people; and assisting another person to commit an act of plagiarism. I understand that the work submitted may be reproduced and/or communicated by the University or a third party authorised by the University for the purpose of detecting plagiarism.

N.B. If more than one person authored this work, a special form headed Statement of Group Authorship may be required. Your unit coordinator will advise you if this should be required.
