Procedure for updating this table

1. Table is maintained by the Admissions Co-ordinator (Offshore)-ACO.
2. An agreement to offer a program externally is made or renewed as approved through EPC.
3. Secretariat for EPC notifies the ACO to make a new entry.
4. The program manager must notify COI if a program is cancelled or modified.
COI will notify ACO if any changes to the table need to be made.
5. The register should also be reviewed annually by EPC.

Note:

Enrolment numbers for the LTIC administered programs are based on new enrolment numbers only, due to Ning Shen's advise on systems' limitations of LTIC.

Any reports to bodies such as DEEWR AUQA or the UA on Offshore Programs or Transnational Education (TNE), should be derived from this table.
