MILDURA

SUNDAY 10 AUG ▶ 10AM - 3PM

MILDURA

CAMPUS 1: BENETOOK AVE

CAMPUS 2: CITY, 29 DEAKIN AVE

La Trobe University's Mildura campus is located on the Murray River in the far north-west corner of Victoria. Mildura is the major centre for the vast agricultural and horticultural region that takes in parts of New South Wales, Victoria and South Australia. An enviable warm climate, modern shopping facilities and a wide range of sport, leisure and tourist activities make Mildura an attractive regional city.

More than 330 students currently enjoy the benefits of university study at La Trobe University's Mildura campus. The courses offered have been designed to meet the growing educational demand of the region.

HOW TO GET TO MILDURA

Mildura is serviced daily by air and coach services from Melbourne, Sydney and Adelaide. Local bus services provide access to the campus. Free parking is available at the Benetook Ave campus.

COURSE ADVICE

Undergraduate and postgraduate advice from Course Coordinators will be available all day.

STUDENT SERVICES

Student Services staff will be available to provide information on the many student services available including counselling, disability support, Indigenous student support, financial aid and other services provided for students at Campus 1.

SCHOLARSHIPS

Staff from the Scholarships Unit will be on Campus 1. They will answer your questions about scholarships for students in all courses and at all campuses, who can demonstrate financial need or educational disadvantage, or who have achieved academic excellence at secondary school.

TOURS

Benetook Campus Library, Nursing Lab, Visual Arts Studios, Murray Darling Freshwater Research Centre.

City Campus The George and William Chaffey Building, 29 Deakin Avenue, Mildura.

STUDENT ACCOMMODATION

Information and tours of the 55 bed on-site student residential accommodation at Campus 1 will be available. Accommodation representatives from Bendigo and Melbourne (Bundoora) campuses will also be present with information about accommodation options.

ALBURY-WODONGA

SUNDAY 24 AUG ▶ 10AM - 3PM

ALBURY-WODONGA UNIVERSITY DRIVE, WODONGA

Albury-Wodonga, on the Murray River, is Australia's largest inland regional centre. This thriving region provides a wide range of employment, sporting, leisure, cultural and entertainment opportunities – a great place to live, as well as to study. With ready access to University-wide resources and personalised support and tuition from dedicated staff, the Albury-Wodonga campus has much to offer.

HOW TO GET TO ALBURY-WODONGA

Public transport is available between the University and central Wodonga and central Albury. Train services depart daily to Melbourne and Sydney. The local airport provides direct services to major capital cities and other regional centres.

COURSE ADVICE

The five faculties of the University are represented on the campus through eight schools/departments. Staff and current students will be available in Building 3 on Open Day to discuss course details. All schools and departments deliver both undergraduate and postgraduate programs, with the exception of the School of Educational Studies which only offers postgraduate programs on the campus. Future students interested in study at Honours level or in any of the postgraduate programs offered on the campus can discuss their study options with the appropriate school or department.

NEW DEVELOPMENTS

The modern facilities at the Albury-Wodonga campus now also include a new gymnasium. The gymnasium is the first stage of a \$940,000 Fitness Centre complex and facilities upgrade.

The newly-constructed café/bookshop will be open for business and planning is also underway for the development of significant additional student accommodation at the campus.

Course and curriculum developments for 2009 include a unique major within the Bachelor of Business program which focuses on sustainable resource management and curriculum innovations in Health Science courses involving enquiry-based interdisciplinary studies.

SUSTAINABILITY FAIR

During Open Day, the campus will also host a Sustainability Fair in partnership with the City of Wodonga and local organisations. Activities, stalls and exhibits will focus on aspects of sustainable living.

WODONGA STUDENT ASSOCIATION

The Student Association provides facilities, advocacy services, social activities and student representation. Please come and visit us at The Student Association Building (The Hangar).

STUDENT SUPPORT SERVICES

The Future Students Adviser, the Indigenous Student Services Officer, the International Student Adviser, staff from the Language and Academic Skills Unit, Student Services and Student Administration will be available to provide information in a range of areas including:

MELBOURNE (BUNDOORA)

SUNDAY 31 AUG ▶ 10AM - 4PM

MELBOURNE (BUNDOORA) KINGSBURY DRIVE, BUNDOORA

La Trobe University's Melbourne (Bundoora) campus is set on 330 hectares of landscaped native gardens and bush, in Melbourne's leafy north-east, only 14 kilometres from the centre of the city. It is the largest of La Trobe University's Australian campuses, catering for over 19,000 students and staff.

As well as teaching and research facilities, the campus has shops, banking services, a world-class library, sports centre and clubs, bistro and restaurants, hospital, pharmacy, weekly market, the Melbourne Wildlife Sanctuary, an art museum, Research and Development Park, and personal and academic support services.

HOW TO GET TO MELBOURNE (BUNDOORA) CAMPUS

The Melbourne (Bundoora) campus is situated in the north-eastern suburb of Bundoora, at the intersection of Plenty Road and Kingsbury Drive (Melway ref:19 G7).

The Melbourne public transport system provides efficient trams, buses and trains for access to the campus. Travel from central Melbourne to the Melbourne (Bundoora) campus takes about 30-40 minutes by car or bus, and approximately 50 minutes by tram. The campus is also 20 minutes by road from Melbourne's Tullamarine Airport.

For further information and to confirm public transport services for the day please visit www.metlinkmelbourne.com.au
For how to get to Melbourne (Bundoora) campus, visit www.latrobe.edu.au/students/transport.

Bus Route 250 runs on a Sunday

Tram The 86 tram runs on Sunday

Train The Melbourne (Bundoora) campus is situated near the Macleod train station. A campus bus will run between Macleod Station and the Melbourne (Bundoora) campus on Open Day. A timetable will be available on www.latrobe.edu.au/openday closer to the day.

Car Car parking is free on Open Day, and a campus bus will be operating on the Day to various points of interest.

YOUR FIRST STOP ON OPEN DAY

Information tents, staffed by student guides, are your first stop on Open Day. Collect your Information Pack which contains the latest details on what's happening around the campus for the Day. Another information booth is located in the Agora.

ACCESS FOR PEOPLE WITH DISABILITIES

Upon arrival at the campus, people with disabilities who require assistance are advised to visit the Gatehouse for directions to parking facilities. Those requiring wheel chair access will be directed to reserved parking around the campus. The University has two motorised, self-drive scooters available for people with mobility disabilities. To arrange for the use of a scooter on Open Day, please contact the Equity and Access Unit on (03) 9479 2900 prior to Open Day.

A campus map of accessible parking and large print copies of the Open Day program and campus (showing access routes) will be available at the Information Tent near the Gatehouse and at the Equity and Access Unit Display in the Agora. A large print version of course information is available on request by calling 1300 135 045.

Enquiries regarding support services provided to students with a disability or ongoing medical condition can be made prior to Open Day by contacting Ms Livia Lo Giudice, Disability Coordinator, on (03) 9479 2900. For more information regarding services available to those who are Deaf or hearing impaired, contact the Disability and Deaf Liaison Officer, Ms Sally Freeman on (03) 9479 3603 (voice) or (03) 9479 2309 (TTY).

An Auslan interpreter will be available on Open Day at the Equity and Access Display. A Parenting/Special Needs room will also be available. For assistance on the day, please contact a campus guide who can escort you to the Equity and Access Unit display. First Aid assistance will be available on the day in the case of an emergency.

YOUR INFORMATION PACK WILL INCLUDE

- Your daily program containing a list of course advice and displays and their exact location
- TravelSmart transport map for La Trobe University
- 2009 Undergraduate Course Guide
- 2009 Campus Guide
- Faculty locations and the nearest parking on Open Day

A LIFESTYLE EXPERIENCE

While you're here, take the time to visit and experience all that La Trobe's Melbourne (Bundoora) campus has to offer:

ACCOMMODATION

Check out the three colleges, Glenn, Menzies and Chisholm which will be open on Open Day. Each college will offer tours, provide information, hospitality and activities throughout the day.

THE BORCHARDT LIBRARY

Take a tour of the Borchardt Library on Open Day, meet the friendly staff, and see for yourself the impressive resources on offer.

The Borchardt Library offers the latest in educational technology, providing access to the internet, databases, videos, multimedia software, electronic journals, and scanners. The collections of books and journals still comprise a large part of the library, and quiet and group study areas are available to students. But if we don't hold what is needed, students can borrow from La Trobe University's regional campus libraries or from other academic libraries around Australia.

Visit us at www.lib.latrobe.edu.au

THE COMPUTER STUDYHALL

Situated between Glenn and Menzies College, the central computing facility contains over 100 computers including both PC and Mac. Each computer provides full access to the internet and a large suite of software including Microsoft Office, SPSS and Endnote. The facility is accessible to all La Trobe University students and has extensive opening hours, including the weekends, and provides a quiet computer study environment. The Computer Studyhall also acts as the first point of contact for any student-related IT enquiries and provides a wide range of IT assistance. Drop in on Open Day and see how the Computer Studyhall can help you achieve at La Trobe University.

LA TROBE UNIVERSITY ART MUSEUM

Situated on the ground floor of Glenn College, the La Trobe University Art Museum holds a changing program of exhibitions throughout the year drawing on a collection of over 2000 post war and contemporary Australian artworks. Many of these works can be found throughout the University in our buildings. The Art Museum also operates as a resource to University teaching staff, providing cultural enrichment, education and research enterprise for the University's student body, staff and wider community.

Visit us on Open Day and explore our current exhibition, "Bones of Contention" by Aboriginal artist Eddie 'Kookaburra' Kneebone. In this work Eddie tells the story of colonial settlement and its impact on the indigenous clans of the North East and Upper Murray region of Victoria. A compelling representation of what is often referred to as our 'hidden history', the exhibition is a work of enormous strength and emotional impact.

For further information, visit www.latrobe.edu.au/artmuseum or call (03) 9479 2111.

LA TROBE UNIVERSITY SCULPTURE PARK

Set amongst the bushland setting of the Melbourne (Bundoora) campus, the La Trobe University Sculpture Park comprises 17 works, an important and comprehensive sculpture collection which documents five decades of Australian practice. Maps of the sculpture park are available from the University Art Museum.

SPORTS AND RECREATION

Visit the Sports Centre that includes a gym, a 25m indoor pool, tennis and squash courts and an indoor multipurpose stadium. The Sports Centre is open seven days per week and can be used by the general public as well as the University community. Visitors are welcome to visit the Centre on Open Day; we are located near car park 6. Further details about sport on campus can be found at www.latrobe.edu.au/sara

MELBOURNE WILDLIFE SANCTUARY

The Melbourne Wildlife Sanctuary provides an indigenous natural environment for conservation, education and research activities that support the learning and teaching objectives of La Trobe University. The 28 hectare site, adjacent to La Trobe University's main Melbourne (Bundoora) campus, contains beautiful wetlands and woodlands that include 400 year old river red gums. The Sanctuary is home to 175 species of birds and mammals in a pre-European settlement setting.

The Sanctuary is used by many staff and students of La Trobe University for research and educational purposes, as well as being a great place to relax during a busy semester. If you're involved in Tourism, Life Sciences, Archaeology and even Physiotherapy, you'll make use of the Melbourne Wildlife Sanctuary during your studies. It's one of La Trobe University's (not so) hidden treasures.

Visit our display or catch the free campus bus to the Sanctuary on Open Day. While at the Sanctuary, visit our plant nursery. A large range of indigenous plants as well as bird and animal nesting boxes are available for purchase. Check out www.latrobe.edu.au/wildlife to view our live 'Possum Cam'.

DON'T MISS...

- Jump on the free bus to get around the campus
- Check out our great on-campus accommodation options
- Visit the Melbourne Wildlife Sanctuary
- The Eddie Kneebone exhibition at La Trobe University Art Museum
