

Elective Preference Form

Third year students - 2008

Bachelor of Occupational Therapy students are required to complete 35 credit points of elective studies. Third year students will complete 15 credit points of electives from outside the School of Occupational Therapy, but within the University.

**You MUST NOW enrol in the elective units via StudentOnline.
Please note that there are quotas on all elective units.**

- HBS3RHE Reproductive Health (Block taught in July, 2008)
- HLT3RH Rural health (Distance education unit offered by Latrobe University Bendigo Public Health; plus three optional face to face classes in Bendigo)
- PHE3DDB Death, dying and grief B
- PHE3DUB Drug Use and Addictive Behaviour B
- PHE3ISB Illness and spirituality
- PHE3PPH Psychosocial perspectives of health and illness

Please refer to the University handbook for unit descriptions and the 2008 School of Occupational Therapy timetable to confirm when the elective units will be conducted.
