

## **BOANDIK LODGE INCORPORATED**

### **Occupational Therapist**

An opportunity exists for an Occupational Therapist to join our team in a full time permanent position.

Boandik Lodge is a leading provider of quality services to the aged throughout the south east of South Australia. We currently provide high/low level care and services to over 500 clients through community programmes and residential facilities. The successful applicant will be working collaboratively within the team and will provide therapy services to both residential and community clients. This position will also include organisational training and development roles.

Salary will be negotiated individually with applicants. We provide great employee benefits including staff wellness programme, extensive salary packaging and peer support programme. Applicants must have a recognised degree/diploma in Occupational Therapy, be registered to practice in South Australia and have a current drivers license. For full position description phone 08 8725 7377.

Applications close Tuesday 1<sup>st</sup> December 2009.
