

Attention all future OTs!

Would you like an opportunity to gain invaluable experience and knowledge of disability? Are you particularly interested in ABI?

If the answer is yes, I have an invaluable opportunity for you to gain an in-depth knowledge of the complexities of ABI and how limited experience in occupations can have delay growth and development.

Martin is a 24 year old male (with an ABI) who is looking for someone who would befriend him and would volunteer their time to allow Martin the opportunity to experience friendship, socialising, and other leisure activities that a 24 year old should experience.

Ultimately we are looking for someone young who would be willing to do social activities with Martin and who is patient.

Please phone 9655 1157 or email me on sophia.iannelli@deac.org.au if you have any questions or to express interest.

Thankyou

Sophia
