

Services on campus that are available to students include those located in the Student Services Centre and those provided by the Bendigo Student Association and accessed through the BSA Information Booth on the Student Union floor or online via [www.latrobe.edu.au/bendigo/students/services](http://www.latrobe.edu.au/bendigo/students/services)

## Services located in the Student Services Centre include:

- **Counselling.** You can talk to the counsellors about anything. They can help with commonly encountered university issues as well as problems presented by everyday life.
- **Health Service.** The campus nurse can provide health information and assistance.
- **Careers.** The careers consultant can help with any careers issues and with information about 'Career Hub', the University's online careers service.
- **Chaplaincy Team.** The Chaplains run a 'Drop In' centre that is open most of the week.
- **Equality and Diversity Centre.** Providing support for students with disabilities or on-going medical conditions and advice and support on harassment and discrimination matters.
- **Campus Medical Service.** The doctor runs his own private practice on campus. He bulk bills students who have a current Medicare Card and International students who can demonstrate current private health insurance who are charged at student rates.
- **Academic Skills Unit** provides language and learning assistance for all students, including support for English as a Second Language (ESL).
- **Jimbeyer Boondjhil Indigenous Unit** provides support for Aboriginal and Torres Strait Islander students on campus.
- **Residential Services** manages University accommodation for students.
- **Muslim Prayer Room.**
- **Parent Room**
