

APPLICATION FORM FOR SCHOOL FUNDS

Funds available :

- \$300 per year per full time PhD (4 year maximum) and Masters student (2 year maximum).
- \$300 per year for Professional Doctorate students for the years of their study that involve research (2 year maximum).
- \$150 per year per full time Masters of Physiotherapy, Postgraduate Diploma in Health Research Methods and Honours student.

Funding is available on a pro rata basis for part time students.

The student should provide the following details and **forward the form to their supervisor, who will complete the form and forward it to the Head of School.** Use additional space as required.

Name	
Course	
Year of enrolment	
Part time/ Full time	
Describe why funding is sought	
*Cost (attached formal quotes where possible)	

To be completed by supervisor.

* Priorities in Budget : Each budget item should be given a priority ranking indicating its importance.

A - considered essential for the project.

B - Necessary to maintain a reasonable rate of progress.

C - Other items which would be useful.

Within categories B and C, you should also use a numerical ranking to show the relative importance of each item (eg. B1, B2, B3, C1, C2, etc).
