Statement of Authorship

We each certify that our own contribution in the attached material is original work and that we have no knowledge of an act of plagiarism committed by any member of this group. We declare that no other person's work has been used without due acknowledgement. Except where we have clearly stated that we have used some of this material elsewhere, it has not been presented by us for examination in any other course or unit at this or any other institution.

We have read the Academic Misconduct Policy, Statute 16 and Regulation 16.2 relating to Student Discipline and Misconduct, which are available on the University's web site, and understand that we are bound by such Policy, Statute and Regulation and that we may be subject to student discipline processes in the event of an act of plagiarism by us.

We understand the nature of plagiarism to include the reproduction of someone else's words, ideas or findings and presenting them as our own without proper acknowledgement. Further, we understand that there are many forms of plagiarism which include direct copying or paraphrasing from someone else's published work (either electronic or hard copy) without acknowledging the source; using facts, information and ideas derived from a source without acknowledgement; producing assignments (required to be independent) in collaboration with and/or using the work of other people; and assisting another person to commit an act of plagiarism.

We understand that the work submitted may be reproduced and/or communicated by the University or a third party authorised by the University for the purpose of detecting plagiarism.
