## STAFF INTRANET OPERATIONAL FRAMEWORK POLICY

<b>Purpose/ objectives</b>	<p>The development and maintenance of a secure online environment dedicated to staff needs</p> <p>Improved internal communication outcomes, in particular, the provision of accurate and up-to-date information about the University and its associated entities, including its administration, policies, procedures, services, functions and activities</p> <p>Improved business efficiencies through access to user-focused and user-friendly information and applications</p> <p>The sharing of knowledge and information</p> <p>The University's institutional values</p> <p>The University's enabling functions</p> <p>The objectives of this policy are to:</p> <ul style="list-style-type: none"> <li>▪ define the intention and operational framework of La Trobe University's staff intranet;</li> <li>▪ enable sound decision-making and planning processes for staff intranet development and review</li> <li>▪ determine quality standards for publication on the staff intranet;</li> <li>▪ provide clear lines of responsibility with regards to the ownership and maintenance of intranet webpages;</li> <li>▪ limit the legal liability of the University.</li> </ul>
<b>Scope/ Application</b>	<p>All faculties and divisional units</p> <p>All campuses</p> <p>All materials published on the La Trobe University staff intranet. This includes any third party materials that may be hosted on the staff intranet domain.</p> <p>All site owners and site publishers must comply with this policy and associated guidelines. This includes all staff and contractors who are authorised to publish to the La Trobe staff intranet.</p>
<b>Policy Statement</b>	<p>The La Trobe University staff intranet is intended to support internal communications and provide La Trobe staff with all the necessary information required to perform their jobs in a highly efficient and effective manner. Unlike the external corporate website which is intended to house the University's public content, the staff intranet is restricted to a staff-only audience.</p> <p>Intranet content requires clear ownership and strategic management. All content must be presented in an appropriate format for online delivery, receive an appropriate level of authorisation and be regularly reviewed to ensure accuracy and currency. Content should be relevant to the intended audience and presented in a user-friendly manner.</p>
