

Dr Robyn Stargatt

Publications, Published Abstracts and Presentations

PUBLICATIONS:

Stargatt, R., Rosenfeld, J.V., Maixner, W., Ashley D “Multiple factors contribute to neuropsychological outcome in children with posterior fossa tumours.” *Developmental Neuropsychology* (in press Jan 2007)

Stargatt R., Davidson, A.J., Huang, G.H., Czarnecki, C., Gibson, M.A., Stewart, S.A., & Jamsen, K. (2006). “A cohort study of the incidence and predictors of negative behaviour changes in children after general anaesthesia”. *Paediatric Anaesthesia*. 16(8):846-59, Aug

Stargatt, R., Rosenfeld, J.V., Anderson, V.A., Hassall, T., Maixner, W., Ashley D. (2006) “Intelligence and Adaptive Function in Children Diagnosed with Brain Tumor During Infancy”. *Journal of Neuro-Oncology* 80(3):295-303.

Davidson AJ, Shrivastava P, Jamsen K, Huang GH, Czarnecki C, Gibson M, Stewart S and **Stargatt R.** (2006). Risk factors for anxiety at induction of anaesthesia in children: a prospective cohort study. *Pediatric Anesthesia*. 16: 919-927

Pedreira, CC; **Stargatt, R;** Maroulas, H; Maixner, W; Warne, G, Zacharin, MR. (2006) “ Health related quality of life and psychological outcome in patients treated for craniopharyngioma in childhood.” *Journal of Pediatric Endocrinology & Metabolism* 19(1) 15-24.

Mulhern, R.K., Palmer, S., Merchant, T.E., Wallace, D., Kocak, M., Brouwers, R., Krull, K., Chintagumpala, M., **Stargatt, R.,** Ashley, D. M., Tye, V.L., Kun, L., Booyett, J., & Gajjar, A. (2005) “Neurocognitive consequences of Risk-Adapted Therapy for childhood Medulloblastoma.” *Journal of Clinical Oncology* 23(24)

Davidson, A J, Huang, G, Czarnecki, C, Gibson, M, Stewart, S, Jamsen K, **Stargatt, R.** (2005) “Awareness during anesthesia in children: a large prospective cohort study”. *Anesthesia & Analgesia* 100(3) 653-661.

Huang, G, Davidson, A.J. & **Stargatt, R.** (2005) “Dreaming during anaesthesia in children: incidence, nature and associations.” *Anaesthesia*, 60, 854-861.

Stargatt, R., Anderson, V. and Rosenfeld, J.V.R (2002) “Neuropsychological Outcomes of Children Treated for Posterior Fossa Tumours: a Review. *Brain Impairment*, 3[2] 92-204.

Anderson V, Catroppa C, Haritou F, Morse S, Pentland L, Rosenfeld J, **Stargatt R.** (2001) Predictors of Acute Child and Family Outcome following Traumatic Brain Injury in Children. *Pediatric Neurosurgery*, 34:138-148

Catroppa, C., Anderson, V., & **Stargatt, R.** (1999) A Prospective Analysis of the recovery of attention following paediatric head injury. *Journal of the International Neuropsychological Society*, 5, 48-57.

Szmukler, G., Andrewes, D., Kingston, K., **Stargatt, R.,** Chen, L., & Stanley, R. (1992) Neuropsychological Impairment of Anorexia Nervosa before and after Therapy. *Journal of clinical and Experimental Neuropsychology*, 14, 347-352.

Davies, B., Andrewes, D., **Stargatt, R.,** Ames, D., Tuckwell, V., & Davis, S. (1990) Tetrahydroaminoacridine in Alzheimer’s Disease. *International Journal of Geriatric Psychiatry*, Vol 5: 317-321.

Davies, B., Andrewes, D., **Stargatt, R.** & Ames, D. (1989) THA and Alzheimer’s disease – A Preliminary Report. *The Australian Journal of Aging*, Sep 89, 188-192.

Andrewes, D. & **Stargatt, R.** (1989). The neuropsychological decline in patients with Dementia of the Alzheimer’s Type. *The Australian Journal of Aging*, Sep 89, 166-176.

Davies, B., Andrewes, D., **Stargatt, R.**, Ames, D., Tuckwell, V., & Davies, S. (1989). Tacrine in Alzheimer's Disease. *The Lancet*, **2**, 163-164.

PUBLISHED ABSTRACTS:

Stargatt, R. (2006) 'Behavioural and Emotional Problems in Children Treated for Brain Tumours: A three year prospective study.' Abstracts of the 8th World Congress of Psycho-Oncology. October 16-21, 2006. Ferrara-Venice, Italy. *Psycho-Oncology*. *15(2 Suppl):S1-462,Oct*

Sue Morse, **Robyn Stargatt**, Helen Stewart. (2006) "Children's Brain Tumour Storybook Project Evaluation." Abstracts of the 8th World Congress of Psycho-Oncology. October 16-21, 2006. Ferrara-Venice, Italy. *Psycho-Oncology*. *15(2 Suppl):S1-462,Oct*

Stargatt R. (2005) "Neuropsychological consequences of Posterior Fossa Tumors: A Prospective Study, 2 year follow up." *Psycho-Oncology*, 14(1) Supplement, 18.

Stargatt, R. & Anderson, V. (2004) "Neuropsychological consequences of Posterior Fossa Tumours: the first twelve months." *Brain Impairment*, **5**, 32.

Stargatt, R., Howe, V., Anderson, V. & Rosenfeld, J (2001) "Cognitive and affective features of children with cerebellar tumours pre & post surgery: preliminary data." *Australian Journal of Psychology*, **53**.

Stargatt, R., Anderson, V., Rosenfeld, J.V.R., & Howe, V. (2000) "Neuropsychological and Psychosocial Outcomes of children with Posterior Fossa Tumour: 12 Month Follow-up Preliminary Results" *Australian Journal of Psychology*, **52**, 140.

Stargatt, R., (2000) "Nine year old boy with right temporal arachnoid cyst (Case Presentation)". *Australian Journal of Psychology*, **52**, 140. *Australian Journal of Psychology*, **52**, 140.

J. Maller & **Stargatt, R.**, Sanson, A. & Rosenfeld, J.V.R. (2000) "Predictors of academic achievement in paediatric brain tumour patients." *Australian Journal of Psychology*, **52**, 135.

R Stargatt & Willmott C. (1998 July) Attention and Information Processing deficits in children with brain tumour and head injury. *Journal of International NeuroPsychological Society*,.

R Stargatt & Willmott C. (1998 Oct) Attention in acquired brain injury. Presented at College of Clinical Neuropsychology 1998 Conference, Victoria *Australian Journal of Psychology*, **50**, 146.

Catroppa, C., Anderson, V., **Stargatt R.** (1998) Attention Skills following TBI: Recovery in the 12 months post injury. *Australian Journal of Psychology*, **50**, 136.

PRESENTATIONS (1995-2006):

Stargatt, R. (2006) 'Behavioural and Emotional Problems in Children Treated for Brain Tumours: A three year prospective study.' 8th World Congress of International Psycho-oncology Society. Venice, Italy, October 2006.

Stargatt, R. Rosenfeld, JVR, Maixner, W. & Ashley, D. (2006) Multiple factors contribute to neuropsychological outcome in children with posterior fossa tumours: a three year prospective study. College of Clinical Neuropsychology, Sydney, November 2006.

Stargatt R. Behavioral and Emotional outcomes in Children treated for Posterior Fossa Tumours. Oncology Psycho-social meeting, Children's Cancer Centre, Royal Children's Hospital 2005.

Stargatt, R. Return to School in Acquired and Traumatic Brain Injury: A Neuropsychological Perspective. Ella Latham Royal Children's Hospital 2005

Stargatt, R. Anderson,VA & Rosenfeld JVR. Neuropsychological Outcomes in Children with Posterior Fossa Tumours: A Prospective Study 2 year follow up. Conference Presentation. American Psycho-Oncology Society Conference 2005.

Stargatt, R. Anderson,VA & Rosenfeld JVR. Neuropsychological Outcomes in Children with Posterior Fossa Tumours: A Prospective Analyses. PhD Thesis. Professional Development Seminar, Psychology Dept. Royal Children's Hospital 2005.

Stargatt, R. Anderson,VA & Rosenfeld JVR. Neuropsychological Outcomes of Posterior Fossa Tumours: The first twelve months. Conference Presentation. College of Clinical Neuropsychology Conference 2004

Stargatt, R. Neuropsychological & psychosocial outcomes in children undergoing treatment for brain tumours Lecture. University of Melbourne 2004

Stargatt, R. Neuropsychological interpretation of the WISC-III and behavioural consequences of variable cognitive profiles. Copperfield College, In-service 2004

Stargatt, R. Neuropsychological Late Effects of Childhood Brain Tumours. Seminar. The Fourth Biennial Weekend Paediatric Radiation Oncology Course 2003

Stargatt R & J Wrennall. Organisational Skills: Psychology Seminars 2003. Royal Children's Hospital.
