

**Research and Graduate Studies Committee
Animal Ethics Committee**

2012 Meeting Dates

The La Trobe University Animal Ethics Committee meetings are conducted in the **Institute of Advanced Studies, Building NR8, Room 1.06, Bundoora Campus (see map below)**. It is a requirement of the Committee that chief investigators attend the meeting at which their new application is being reviewed. Where such attendance is not practical for reasons of distance (Albury-Wodonga, Bendigo and Mildura campuses) the Committee would expect investigators to be available for interview by video link or telephone. Please note that applications and papers should be submitted no later than at the designated submission date to be considered at a particular meeting.
