

Last Updated on: Sun 18 Oct 09

Our pool has 5 lap lanes; when a group books some of these lanes, the lap lane available is less than 5 ... the smaller the number, the larger the Group. As Group bookings can be made at any time, lap lane availability can change. 'Lap Time' is when there are 4 lanes available to the public and no other bookings are taken during this period

 Indicates timeslots when the Pool is **closed**.
