◆ Over 20 **hour-long video-interviews** I have recorded with esteemed policymakers and academics, including three former Reserve Bank of Australia board members, an ACCC Commissioner, and a member of the federal parliament (a full list appears at the end of this resume). As of 25/5/2016 my channel [www.youtube.com/user/JanLibich1](http://www.youtube.com/user/JanLibich1) has had over **36000 views and 240 subscribers**.

◆ **Own newspaper column** in the leading Czech economic outlet Hospodářské noviny titled Jan Libich's Economix (with the subtitle 'Academic research serving the real world'), also available online at [www.ihned.cz/ekonomix](http://www.ihned.cz/ekonomix).

◆ Four interviews for **BBC radio** (Czech) on various economic issues (a 15-minute example can be listened to at <http://ekonom.ihned.cz/c1-62538970-v-ceskem-skolstvi-bdquo-zadarmo-ldquo-chudi-dotuji-bohate>). A 17-minute video-interview for DTVV: <http://video.aktualne.cz/dvtv/cesku-hrozi-o-polovinu-mensi-duchody-penzijni-system-je-jako/r~03e6f87ec0fb11e5aa720025900fea04/>

◆ A two-minute **animated video** about my research on population ageing, public debt accumulation and pension reform (in Czech, available at [https://www.youtube.com/watch?v=vagpMs4xk\\_I](https://www.youtube.com/watch?v=vagpMs4xk_I)). It was officially released to the media at a talk-show event in which I was interviewed for an hour in front of a large audience.

◆ A 17-minute invited **interview for a Czech TV** channel about my work on population ageing and the pension system: <http://video.aktualne.cz/dvtv/cesku-hrozi-o-polovinu-mensi-duchody-penzijni-system-je-jako/r~03e6f87ec0fb11e5aa720025900fea04>

◆ Over a dozen of **newspaper, magazine and online interviews in Czech**, including three four-page interviews with photographs profiling my research (e.g. at <http://dialog.ihned.cz/c1-59930950-rozhovor-s-janem-libichem-sazejme-na-vzdelani>).

◆ Several **high-profile invited presentations**, e.g. as panelist discussing reforms of the financial system (another panelist was Deputy Governor of the Czech Central Bank, details at <http://euro.e15.cz/archiv/trh-neni-padouch-1038670>) or two-hour talk about the future of the global economy at Science Café, Prague ([www.slideslive.com/sciencecafe/w/38890182](http://www.slideslive.com/sciencecafe/w/38890182)).

## TEACHING EVALUATIONS (from official La Trobe student feedback forms)

**Please note:** the table on the right presents the overall teaching and subject scores (final questions on the respective student surveys) for my third year subject Central Banks and Monetary Policy. The scores are converted to percentages, i.e. 98% corresponds to 4.9 out of 5. The table of the left then combines these with my other subjects and presents the averages for each year.

Year	No. of my students	Average Overall Teaching Effectiveness Score in %	Average Overall Quality of Subject Score in %
2005	149	74.3	72.0
2006	636	79.3	75.0
2007	846	82.5	82.0
2008	390	84.3	80.0
2009	762	90.5	85.5
2010	893	87.0	84.5
2011	462	92.0	87.0
2012	391	92.0	87.0
2014	186	95.8	82.1
2015	363	94.3	92.4

Yearly averages across all my subjects

Year	Enrolment	Overall Teaching Effectiveness Score in %	Overall Quality of Subject Score in %	Response Rate in %
2006	18	78.6	76.0	94.4
2007	37	82.9	86.0	64.9
2009	35	98.0	92.0	67.6
2010	48	94.0	94.0	83.3
2011	40	96.0	92.0	77.5
