PENALTIES FOR PLAGIARISM

Plagiarism occurs when someone copies or reproduces another person's words or ideas and presents them as his or her own without proper acknowledgement. This includes copying the work of other students. It is a form of cheating and will be treated accordingly. To ensure that you are not guilty of plagiarism you must, in all your written assignments, declare all sources from which you have obtained material or ideas.

The penalties for plagiarism are severe and are governed by University legislation. A student found to have plagiarised may be allocated no marks for the particular piece of work involved, or may be allocated a fail grade in that subject.

STATEMENT OF AUTHORSHIP

I certify that the attached material is my original work. No other person's work has been used without due acknowledgement. Except where I have clearly stated that I have used some of this material elsewhere, it has not been presented by me for examination in any other course or subject at this or any other institution. I understand that the work submitted may be reproduced and/or communicated for the purpose of detecting plagiarism.
