

## HOW DO I ... ? Add the Turnitin Logo?

Turnitin – Add the Turnitin Logo | September 2009

1. From <http://www.latrobe.edu.au/text-match/how-to.html> right click on the *Turnitin* Logo

2. Depending on the browser you are using, you'll be offered a choice to **Save Picture As** or **Copy Image**.
3. Log in to the LMS and go the Subject in which you want to add the *Turnitin* logo. Select the page or Learning Module to which the link is to be added. From the **Build Tab**, go to the **File Manager** and choose **Get Files**.

4. Select the **My Computer** icon and then **Browse** to the location where you saved the image. Select the image and choose **OK**. The *Turnitin* Logo will be saved to the **File Manager**.
5. When you add a *Turnitin* Assignment, the Board Pin is the default icon selected by the LMS. To change this to the *Turnitin* Logo, select the **Action Links** associated with the icon and then choose **Customize Link > Replace Icon**.
6. Browse to the location in the File Manager to where you uploaded the Turnitin logo, select the File and choose OK.

7. At the next screen, choose **Save**. The *Turnitin* logo will appear above the assignment title.
