RE: Confirmation of Enrolment* - International students

A student can prove they are an enrolled at La Trobe University by showing you:

- an Academic Transcript
- a Statement of Account for the Semester or Term (internal versions from their StudentOnLine account)
- a Confirmation of Enrolment (CoE), or
- a La Trobe student identification card

Where this letter accompanies an official Academic Transcript, and where that document states that the named student has '*qualified for admission to the degree of...*', we confirm that they have successfully **completed** the requirements of the course.

On conferral, this information can also be verified at
<https://www.latrobe.edu.au/students/admin/forms/education-verification>

Yours sincerely,
Director, Student Administration
