

Disability Car Parking Information

How to access disability parking for La Trobe Communication Clinic appointments

Step 1: Tell us that you need disability parking

Tell us that you that you require disability parking before your appointment by emailing the clinic at: communication.clinic@latrobe.edu.au or calling us on (03) 9479 1921.

Please provide your current mailing address, or provide details of where you would like it sent a minimum of 7 days before your appointment.

Step 2: We will send you a Guest Parking Permit in the mail

You will receive your parking permit in the mail. If you do not receive your permit before your appointment, please let us know by contacting the clinic.

Step 3: Bring your Guest Parking Permit with you on the day of your appointment

On the day of your appointment you must bring your Guest Parking Permit with you. You must present this permit upon entry at the Gate House, and display it on the dashboard of your car when you park.

Step 4: Enter the Campus using the WEST Entry, and follow the directions to the Gate House

When arriving at the La Trobe University Bundoora Campus, enter from the **WEST Entry**. This is the closest entry point to the Gate House. You must enter through the Gate House to access the disability parking within the Inner Campus.

You can also use Google Maps by entering "Gatehouse, La Trobe University, Bundoora" into the search bar

There are two ways to enter the **WEST Entry** depending on the direction you are travelling along Kingsbury Drive.

Once you have entered the campus, follow signs for the **Gate House (GH)**.

Step 5: Present your Guest Permit to the Gate House

You must show your Guest Parking Permit to the staff at the Gate House. Tell them you are here for an appointment at the La Trobe Communication Clinic in Health Science Building 1.

Step 6: Park your vehicle in a Disability Parking Space

The clinic has two disability parking areas close to the clinic. Once you have parked, ensure your permit is displayed on the dashboard of your vehicle before attending your appointment.

Please be aware we are unable to reserve parking spaces for clients and space is limited.

To access the Disability Parking Spaces:

Parking Area 1:

Follow the inner ring road 'Science Drive' until you arrive at Health Science Building 1. There are TWO disability spaces located between Health Science Building 1 & 2.

Parking Area 2:

Follow the inner ring road 'Science Drive' until you arrive at Health Science Building 1. There is ONE disability space directly at the entrance to this building.

Step 7: Exit the campus via any of the boom gates

Once you have completed your visit you can exit the campus using any of the boom gates.

If you have not received your permit in the mail prior to your appointment

Follow Step 4 and enter the campus through the **WEST Entry**. Drive to the gatehouse and request a temporary pass. A temporary pass is valid for 30minutes. Once you arrive at the clinic, please inform reception or your clinician and we will provide you with a Guest Parking Permit for you to place in your car.

There is no time limit if you are using a Guest Parking Permit.
