Opening hours - Sunday to Friday 10am-3pm

**LA TROBE**  
UNIVERSITY

## **Plant or Nesting Box Donation Application Form**

We aim to support as many schools, kindergartens and community groups as possible. Each application will be assessed on a case by case basis based on several factors including aims of the project, community involvement and current availability of suitable plants or nesting boxes.

The following restrictions apply:

- Maximum of 2 boxes of plants (104 tubes); or
- Maximum of 2 flatpack nesting box kits

We donate directly to on ground biodiversity enhancement projects that engage the students/children or local community.

Allow a minimum of 3 weeks for us to assess your request.

Please complete this form and email it to [wildlife@latrobe.edu.au](mailto:wildlife@latrobe.edu.au)
