HIGH ACADEMIC ACHIEVERS

YEAR 11 PERFORMANCE

STUDY FIRST-YEAR UNI SUBJECTS AS PART OF VCE STUDIES AND RECEIVE AN EARLY CONDITIONAL OFFER TO LA TROBE

Are you a high-achieving student looking to include uni subjects as extension studies in your VCE and ATAR calculation?

The Aspire Achieve Plus program rewards Year 12 students who study a pair of first-year subjects as part of their VCE studies with an early conditional offer to La Trobe.

Choose a subject pair (two subjects total) and study one in each semester, and your marks from those subjects will contribute to your ATAR or replace it with a La Trobe Entrance Score – whichever is higher – to increase your chances of getting into your dream course.

Eligibility:

- You're a completing year 11 student, or in your final year of scored VCE studies
- You have an average mark of 70% or higher in Year 11
- You intend to receive a scored ATAR in Year 12
- You have proof of enrolment in at least four VCE Units 3 & 4 subjects, including English or EAL
- You need to complete the school endorsement form

SUPPORT YOUR FUTURE ACADEMIC SUCCESS AND RECEIVE AN EXCLUSIVE LA TROBE ENTRANCE SCORE

The Aspire Early University Study program rewards Year 12 students who've done additional studies at La Trobe with an early conditional offer into their dream course. You'll also unlock a La Trobe Entrance Score, and we'll use that, or your ATAR – whichever is higher – to unlock a range of courses at La Trobe. This program has two options to help get your uni goals on track.

ASPIRE ADVANCE

Study a single first-year uni subject alongside your Year 12 subjects to gain a special La Trobe Entrance Score and an early conditional offer to La Trobe. You'll also get credit for subjects if you go on to study a related course at La Trobe.

Eligibility:

- You're in your final year of VCE, HSC or IB, including unscored VCE
- You have an average mark of 70% or higher in Year 11
- You need to complete the school endorsement form

ASPIRE PREPARE

Study three or six micro-subjects in Year 11 and/or Year 12, so you can unlock a La Trobe Entrance Score to get into your dream course, instead of relying on your ATAR. This program is great if you learn best at your own pace and want an alternative to the traditional ATAR entry.

Eligibility:

- You're a current Year 11 or Year 12 student, including unscored VCE, HSC, IB and VCE Vocational Major students
