# EXPERIENCE THE UNFORGETTABLE AT THE LA TROBE SPORT PARK PAVILION FUNCTION ROOM

Immerse yourself in a world-class event experience at the La Trobe Sports Park Pavilion Function Room, where elegance meets innovation. Nestled within the vibrant heart of Melbourne's North and set against the backdrop of La Trobe University's bustling Bundoora campus, our function room is a beacon of contemporary design and state-of-the-art facilities.

Embrace the panoramic views of our lush sporting grounds from our 360-degree balcony, offering a unique vantage point of the Tony Sheehan Oval and the city skyline.

Whether you're planning a corporate gala, an intimate workshop, or a grand celebration, our versatile space transforms to fit your vision.

Our commitment to excellence is unmatched, ensuring your event is not just an occasion, but a memorable experience. With cutting-edge audiovisual technology, exceptional catering services, and a dedicated team to assist you every step of the way, your event at the Pavilion Function Room is set to inspire and impress.

Join us at the Pavilion Function Room, where your events come to life in a space that's not just a venue, but a destination.

# PAVILION FEATURES

The Pavilion Function Room at La Trobe Sports Park features an advanced multi-function audiovisual system, ideal for various events. La Trobe Sport provides AV system inductions for ease of use and confidence during events. Additionally, Bread and Butta, the venue's catering partner, along with La Trobe Sport's staff, are readily available to assist with any queries.

## FUNCTIONALITY

---

The Pavilion Function Room at La Trobe Sports Park is not just a venue; it's a celebration of sophistication and versatility. Our state-of-the-art facility boasts features that cater to a wide array of events, making it the ideal choice for your next gathering.

## TECHNOLOGY

---

Equipped with the latest in audiovisual technology, the Pavilion ensures your presentations and entertainment are delivered with clear sound and visuals. Wi-Fi and advanced connectivity options make it an ideal spot for tech-savvy events.

## CATERING

---

Enjoy a delightful culinary experience with our catering partner, Bread & Butta. Offering a range of canapés and banquet options, our catering services are tailored to meet various needs, including all dietary requirements.

## SPACE

---

Our function room is versatile, adapting seamlessly to your event's needs. Whether it's a corporate conference, a wedding reception or a private celebration, the space can be transformed to suit your style and requirements.

## 360 VIEWS

---

The room's expansive windows and 360-degree balcony offer breathtaking views of the sports grounds and the Melbourne skyline, providing a stunning backdrop for your event.

## ACCESSIBILITY

---

The Pavilion is fully accessible, ensuring comfort and convenience for all your guests. Ample parking and easy public transport access make it a hassle-free choice for attendees.

## SEATING

The Pavilion Function Room boasts flexible seating arrangements with rectangle tables. The versatility of rectangle tables also facilitates easy movement and interaction among guests, making them ideal for networking events, conferences and social gatherings.

## OUTDOORS

The Pavilion Function Room offers adjacent outdoor spaces, enriching its versatility as a venue. These outdoor areas provide a perfect setting for receptions or breaks, allowing guests to enjoy the fresh air and scenic surroundings.

## LIGHTING

The customisable lighting system is a standout feature that enhances the ambiance of any event. This lighting technology allows for precise control over the intensity, enabling the creation of a specific mood or theme, adding a professional and personalised touch.

## SUPPORT

Our dedicated team provides exceptional on-site support, ensuring a smooth and professional experience for all events. This on-site expertise guarantees that each function runs seamlessly, providing peace of mind.

## KEY FEATURES

Premium quality projector and multi-screen capability

Immersive Bluetooth Audio System

Portable lectern with in-built presentation controls

Wireless Connectivity

Lift Accessibility

Hearing Impaired Audio Assistance

Basic First Aid and defibrillator
