2. Sign in using your existing La Trobe student/staff login details.

Add email address

Add password

3. To set up your profile:

a. **Select Bundoora Campus**

The UniSafe App is only available at Bundoora

b. **Fill in default pick up and drop off locations.**

[See a map view of locations.](#)

Default locations are the places you're usually picked up from and dropped off to. The app will automatically prefill these when you make a booking request, but you can edit them at any time.

c. **Add your phone number.**

d. **Click 'Create Profile'**

The screenshot shows the 'Setup your Unisafe Profile' screen. At the top, it says 'Setup your Unisafe Profile' in white text on a black background. Below that, the user's name 'John Smith' and email 'j.smith@latrobe.edu.au' are displayed. There is a 'Campus' section with a red building icon and a dropdown menu labeled 'Choose Campus'. Below this are three sections for location selection: 'Default Pick up location' with a search bar 'Select Default Pick up Location', 'Default Drop Off up location' with a search bar 'Select Default Drop off Location', and 'Mobile Number (Optional)' with a dropdown for the country code '+61' and the number '123 456 789'. At the bottom, there is a large red button labeled 'Create Profile' and a link 'Need Help?'.

The screenshot shows the home screen of the UniSafe app. At the top, it says 'Hello, John' and has a notification bell and a profile icon. Below that, it shows the user's campus as 'Bundoora'. There are fields for 'Pickup Location' (filled with 'NASA'), 'Drop off Location' (filled with 'Macleod Train station'), 'Pickup Time and Date' (filled with '19:30 Today'), and 'Passengers' (filled with '1'). There is also a 'Pickup Note' field. A red button labeled '+ Request Pickup' is at the bottom of the form. At the very bottom, there is a navigation bar with three icons: 'Home', 'Activity', and 'Profile'. The 'Profile' icon is highlighted with a red arrow pointing to a red callout box.

To edit your profile, click on the 'Profile' section on the bottom right of the app.
