Learn from the best

Hear from leaders in your future field. At La Trobe, you’ll get up-to-the-minute knowledge, skills and advice from teachers who are industry experts. Guest lecturers give you exclusive insights into the careers you’ll enter, and our researchers will show you how they’re shaping the future. When you learn, it’ll be with the latest technologies, so you’re ready to use them in your career.

Get the career you want

Launch your career right here at La Trobe. Our wide-ranging partnerships offer you professional networks and opportunities so you can build the work skills you need to succeed. Placement opportunities enable you to create contacts in your industry, adapt to different workplaces and build your resume before you graduate. We teach you the skills employers want, to help you step straight into your first career and beyond.

Build all your skills

Great thinkers consider problems from every angle. At La Trobe, you’ll develop every part of your skillset. You’ll bring together diverse topics and fields to build all areas of your technical knowledge. And we don’t forget about the human skills you’ll need in any workplace, like innovation, leadership, critical thinking, creativity, communication and adaptability. You’ll learn in the classroom, in the workplace and in the field. Graduate ready to think critically, analytically and creatively to solve real problems and tackle the major issues of our time.
'La Trobe helped me prepare for my future career with its well-structured coursework and cutting-edge research topics. I was able to get job offers straight after I completed my study.'

Dr Ming Jian Tang
PhD (Computer Science)
Lead Data Scientist, Huawei Technologies
China

We're ranked in the top 1% of universities worldwide.¹

We're rated five stars for our teaching, graduate employability, facilities, research and internationalisation.²

We produce career-ready graduates with 87.6% of our undergraduates and 94.2% of our postgraduates finding work within four months.³

We rank fourth in the world for our social and economic impact.⁴

We've built a reputation of excellence with 23 fields of research rated well above world standard.⁵

Ten reasons to choose La Trobe

One of the world’s best universities
Our academics are renowned for their teaching innovation and research into issues that matter. We’re in the top one per cent of the world’s universities and are one of the best 50 universities in the Asia-Pacific region. We’ve even been ranked in the world’s top 400 universities by the three major independent rankings agencies.

We’ve also received five stars overall in the QS Star ratings, as well as the highest possible number of individual five-star ratings in categories covering teaching, employability, research, internationalisation, facilities, innovation, inclusiveness and our sports-related subjects.

A career-focused education
You’ll prepare for the jobs waiting for you in courses we’ve co-designed with industry, including through our Industry Course Advisory Committees, which include members representing companies like Telstra. Learn using software and equipment you’ll find in your future workplace. Hear guest lectures from industry leaders sharing expertise and insights. Build work-ready skills with opportunities for work-based learning and placements in Australia and overseas. Our Accelerator Program could even help you turn your business idea into a reality.

What’s more, we design courses for tomorrow’s careers, like our Digital Transformation degrees studying the fields that have been transformed by technological innovation.

Support for success
Get all the help you need to enjoy Australian life and find academic success. Before you leave home, our team offers pre-departure advice. While you study, you can make confidential appointments with our International Student Services team to discuss any problems you may face. Our generous scholarships can assist you financially and reward your academic achievements. And we offer a huge range of study support and ways you can connect with other students.

Study in a diverse, friendly and safe environment
You’ll feel at home from your first day at La Trobe. Our welcoming culture at all our campuses includes services like personal support, counselling and multi-faith facilities including chaplaincy and Muslim prayer rooms. Our commitment to your safety includes an on-call UniSafe service escorting students and staff after dark. We also offer support for people with disabilities.

And no matter what you’re interested in, you’ll be able to find a social group for you among more than 100 student clubs and societies. Many of these groups also hold careers nights and professional networking events.

Expertise in every discipline
Sport subjects in the world’s top 50. Nursing subjects in the world’s top 100. A business school that’s been accredited by the AACSB – an achievement reached by less than five per cent of the world’s business schools. And staff with first-hand experience in how technology is reshaping industries around the world.

At La Trobe, our staff are industry experts and world-leading researchers who bring their passion to your teaching, no matter what field you study. You won’t just learn the facts. You’ll understand the practical issues shaping your discipline, so when you graduate, you’ll be ready to tackle any challenge.

When you choose La Trobe, you’ll learn with expert teachers and the latest technology at your fingertips. You’ll get an experience that sets you up for life with practical skills and industry connections. You’ll graduate with more than a degree. Here are ten reasons to choose La Trobe.

See next page for footnotes.
Ten reasons to choose La Trobe

The Australian experience

Want to enjoy a uniquely Australian study experience? Immerse yourself in Australia’s major cities or our regional campuses. Studying in our regions also gives you access to unique rewards. If you’re an eligible undergraduate student, this includes a guaranteed Work Integrated Learning opportunity and a grant to study overseas. Graduates from regional campuses can also access the chance for additional post-study work rights.

No matter where you study, you’ll have access to world-class facilities and our entire library of resources. You’ll also become a part of Australia’s friendly, multicultural society and be able to connect with cultural communities from around the world.

An exclusive Student Excellence Academy

Our Student Excellence Academy recognises your achievements both in and out of class. If you’re a high-achieving sportsperson, entrepreneur, community contributor, student or creative, you could be eligible to join the program. As a member, you’ll have access to exciting opportunities like priority access to industry mentoring and work placements, tailored career support, insights from community and industry leaders, lunch with the Vice-Chancellor and the chance to represent La Trobe at national and international events. Our website has all the details: latrobe.edu.au/int-excellence

You can change the world

Our research centres tackle some of the biggest challenges of our time, and our world-class equipment and facilities help our researchers change the world. Want to join us? You can be part of a university that’s top-rated nationally and ranked well above world standard in 23 fields of research*, and ranked fourth in the world for global impact.*

But it’s not just about rankings. Projects like our A$75 million initiative to be zero-emissions university and projects to protect the future of Australian wildlife while giving you the chance to see our native creatures in person.

Modern facilities and accommodation

You’ll study in world-class learning spaces with the equipment and systems you’ll use in your career: a world-class Sports Park, cybersecurity labs, a simulation trading floor and fully operational health clinics, to name a few. As we work towards our University City of the Future, we’re constantly transforming our facilities.

You’ll also have access to a wide range of on-campus and off-campus living options. We offer modern and accessible accommodation, including newly built accommodation at our Melbourne Campus. Whether you’re a single student or coming with your family, we can help you find accommodation to suit your specific needs. Find out more: latrobe.edu.au/int-accommodation

Pathways to study

Need extra preparation before you can start your degree? You may be eligible for an academic or English language pathway program into a La Trobe course. We offer programs through our on-campus provider La Trobe College Australia (LCA), and we also accept students through a variety of pathway providers.

Find out more on page 15.

If you’re already studying a degree in your home country, you can experience La Trobe as part of our study abroad and incoming exchange programs. Study with us for up to two semesters and get a taste of Australian life while gaining credit towards your degree. Or, if you study a full degree at La Trobe, you could visit one of our international partners on exchange. Find more information, including available scholarships: latrobe.edu.au/int-exchange

Want to gain an exciting and fulfilling career once you’ve finished your degree? We talk to employers to make sure our courses build the skills they want. We partner with industry to give you a career-ready education. Our Career Ready Advantage program and work-based learning opportunities mean you’ll graduate with experience, confidence and a career portfolio that’s sure to impress.

### Career Ready Advantage

Get the skills employers are looking for with our Career Ready Advantage, designed with industry partners such as PwC, one of the world’s largest professional services firms; Optus, one of Australia’s three biggest telecommunications firms; and the Commonwealth Bank, Australia’s largest banking organisation.

#### Plenty of support

As you prepare for your future career, we’re here every step of the way with:

- Support finding work through our on-campus recruitment service, with hundreds of casual and graduate opportunities advertised every year.
- Industry placement opportunities with our wide network of partner organisations.
- Industry mentoring with our high-profile alumni and partners.
- Opportunities to connect with potential employers through networking events, showcases and industry panels.
- Free LinkedIn Learning during your degree and once you graduate, with more than 14,000 online courses to choose from.
- Career advice from our friendly Career Ready experts.
- Lifelong career support with ongoing access to online resources, workshops and networking.

### Work-based learning

You’ll increase your employability while you study with the work-based learning activities we’ve embedded into our teaching. Depending on your course and your employability, you’ll build first-hand industry experience through:

- Guest lectures from industry experts.
- Real-world case studies and professional simulation activities.
- Industry projects guided by our staff.
- Field trips and study tours.
- In-class activities preparing you for work, like portfolio development, interview practice and resume writing.

We also offer a wide range of work-based learning opportunities where you can build the skills and experience to set you apart from the crowd. Options for eligible students include placements, leadership programs, career workshops, overseas study and more. Find out more: latrobe.edu.au/int-experience.

### Choosing a course and applying

If you have any questions about choosing a course or the application process, contact our team. You can find our contact details on the back cover and on our website:

- latrobe.edu.au/int-contact
- latrobe.edu.au/int-career

#### Welcoming you to La Trobe

### Pre-departure

Our Acceptance and Pre-departure Guide has all the information you need to accept your offer and prepare to come to Australia. We also run live webinars where you can ask questions and get practical advice.

Whatever your circumstances, we’ll help you adjust to Australian life. Bringing your family? Managing a disability? Our experienced team can provide expert support: latrobe.edu.au/int-leaving

Once you’ve accepted your offer, we’ll contact you about how to complete pre-arrival online enrolment. If you have questions along the way, we’re here to support you. Find out more here: latrobe.edu.au/int-enrol

### Orientation

Orientation is full of important sessions and social activities, so you’ll need to attend it at the start of semester. You’ll make new friends, learn important information about campus life and set yourself up for your time here. Learn more here: latrobe.edu.au/int-orientation

### Supporting you to graduation

#### Academic support

Want to reach your full potential? Our study and academic support programs include:

- Peer Learning Advisers
- Workshops and seminars
- Academic progress support
- Help with areas like maths, chemistry and coding
- Help with English language and academic skills
- Advice, support and referrals to campus services

Find out more: latrobe.edu.au/int-academic-support

#### Personal support

Our team can help you with almost any personal issue you encounter, whether it’s social, financial, cultural or anything else. You can book a confidential one-on-one appointment with the supportive and professional staff at your local international office. Learn more: latrobe.edu.au/int-support-services

### Career support

All our students have access to our leading Career Ready Advantage. Graduate with experience, confidence and a career portfolio that’s sure to impress. Find out more on page 8 or head online: latrobe.edu.au/int-career

#### Overseas study programs

Make the world your campus. Study with one of our 140 overseas study partners to help you broaden your horizons and make global connections while you gain credit towards your La Trobe degree. Learn more: latrobe.edu.au/int-overseas

Connect with other students

There are plenty of ways to connect with on-campus and off-campus communities while you’re studying with us. You’ll build friendships, grow your professional networks and meet people from around the world with our social programs and cultural events. Find out more: latrobe.edu.au/int-social

#### Always available

We’ll stay connected with you for the entire time you’re at La Trobe. We even have a 24-hour student support hotline where we can help you with anything you might be worried about. Learn more: latrobe.edu.au/int-support-services
A campus to fit every lifestyle

Our campuses showcase the best of Australia. We have seven campuses across the states of Victoria and New South Wales, in both metropolitan and regional areas. You’ll be able to choose your course and lifestyle to enjoy a truly Australian experience.

When you study at one of our Melbourne campuses, you’ll feel safe and supported in a city that’s regularly named one of the world’s top student cities. Melbourne is a popular destination for visitors from around the world.

Want to study with Australia’s unique nature and culture at your doorstep? Try our regional campuses in Bendigo, Albury-Wodonga, Mildura and Shepparton. They offer strong industry connections, a relaxed lifestyle and access to a range of scholarships and incentives, as well as all the benefits of studying at La Trobe. Your commute is easy, living costs are often lower and your local partnerships make you part of the community.

Dr immerse yourself in Australia’s most recognisable city. Studying at our Sydney Campus offers you a diverse lifestyle, with stunning beaches, a busy calendar of cultural and sporting events and national parks full of native wildlife. No matter which campus you choose, you’ll enjoy a range of study options and be close to all the services you need.

You’ll get access to work-based learning and placement opportunities, as well as support to help you succeed. And you’ll be part of our welcoming, multicultural community.

Find out more: latrobe.edu.au/int-campuses

Melbourne Campus
Explore parkland beauty, a vibrant campus culture filled with cafes and shops, and a multi-level library at one of Australia’s largest university campuses. Access leading facilities, including our new tech and business labs, the La Trobe Institute for Molecular Science, our new A$150m Sports Park and our very own Wildlife Sanctuary.

26 000+ students
Learn more: latrobe.edu.au/int-melbourne

City Campus
Take your postgraduate study to the city at our campus in the heart of Melbourne’s business district. Move your career forward with a postgraduate course in business, health or law. You’ll get a personalised study experience with modern facilities and resources.

900+ students
Learn more: latrobe.edu.au/int-city

Join a rich sporting and cultural community. Study in the heart of Sydney, located in the beautiful Goulburn Valley, with high-standard teaching and study facilities. Get a personalised study experience through our connections to the local community and industry, and gain hands-on experience in industry placement opportunities.

700+ students
Learn more: latrobe.edu.au/int-sydney

Bendigo Campus
Enjoy the city and the country. Join more than 4 500 students at La Trobe’s second-biggest campus and study at the region’s largest provider of higher education. With the Bendigo city centre nearby, it’s the perfect place to live and learn, and we’ve recently given the campus a A$50 million upgrade.

4 500+ students
Learn more: latrobe.edu.au/int-bendigo

Albury-Wodonga Campus
Enjoy a personalised learning experience with friendly staff and modern facilities. Benefit from connections with industry leaders and gain hands-on experience through work-based learning. Join a close-knit community against the backdrop of the Murray River, snowfields and historic towns, with plenty of employment, cultural and sporting opportunities.

700+ students
Learn more: latrobe.edu.au/int-aw

Mildura Campus
Live, study, work and play as part of a strong arts and agricultural community, including nearby access to nature’s playground at Mungo National Park and the Murray River. Our community ties include industry partnerships and placement opportunities, offering you a personalised learning experience with promising employment opportunities.

500+ students
Learn more: latrobe.edu.au/int-mildura

Shepparton Campus
Join a close-knit community and gain hands-on experience through work-based learning. Enjoy a personalised learning experience with friendly staff and modern facilities. Benefit from connections with industry leaders and gain hands-on experience in industry placement opportunities.

700+ students
Learn more: latrobe.edu.au/int-shepparton

Studying in a regional area
The Australian Government provides additional incentives for international students who study and live in regional Australia, including Destination Australia scholarships worth up to A$15 000 and an extension of your post-study work rights. See page 12 for more information about scholarships, and find out more about post-study work rights here: immi.homeaffairs.gov.au/visas/working-in-australia/regional-migration

The Australian Government has announced temporary visa measures to support international students impacted by the COVID-19 pandemic. Check our website for the most recent updates: latrobe.edu.au/international/international-terms/online-study-faqs
Studying overseas offers a lot of exciting opportunities. It’s important you’re prepared for the costs involved in investing in your future, such as tuition fees, living costs and other expenses. That’s why we offer a wide range of scholarships to reward your achievements and support you while you study.

Study costs

Tuition fees

Tuition fees are the primary cost of studying one of our courses. They’re different for every course and are based on your study load – typically 60 credit points per semester, totaling 120 credit points per year for a full-time load. You can find indicative annual fees in this guide. These are based on an annual study load of 120 credit points, except where we indicate they’re based on a different study load. You can estimate a total cost for your course based on these indicative fees, but remember: fees can change year on year. If we do change the fees for a course, the change takes effect on 1 January the next year.

Find out more: latrobe.edu.au/int-tuition

Other course costs

You may also need to pay towards other course costs, such as field trips or buying equipment. If a course requires you to pay additional costs, it will be outlined in the ‘Fees and scholarships’ section on our course pages: latrobe.edu.au/int-courses

Non-course costs

Living costs

Thinking about life in Australia? Now’s a good time to consider living costs. While your exact costs will vary depending on your budget and lifestyle, we’ve prepared an indicative guide to costs of living in Australia: latrobe.edu.au/int-living-costs

Scholarships and sponsorships

When you study at La Trobe, you invest in your future by developing the skills employers want. No matter what you’re studying, our wide range of scholarships can help you make that investment.

We reward academic excellence with our La Trobe International Scholarships, which offer a reduction of up to 30 per cent on tuition fees for eligible students for the normal duration of your course. Check the eligible courses here: latrobe.edu.au/int-scholarships

You could also be eligible to access other scholarships, such as:

• region-specific Vice-Chancellor Excellence Scholarships covering all tuition fees for the duration of your studies
• Destination Australia scholarships worth up to A$15,000
• external scholarships from our partners in your region
• regional campus scholarships worth up to A$5,000
• an Early Bird Acceptance Grant
• scholarships for postgraduate research students

Our full range of scholarships is available here: latrobe.edu.au/int-scholarships

As well as our scholarships, some international students can be sponsored by overseas governments, organisations or companies. Find out more here: latrobe.edu.au/int-sponsorships

Master of Management (Project Management)
Academic and English language entry requirements

To be admitted into your course and make the most of your university experience, you’ll need to meet our entry requirements. Here’s how to find out more about these important aspects of studying at La Trobe.

Academic requirements
We have minimum academic entry requirements for our courses, which are listed here. You can also find more information about our academic entry requirements here: latrobe.edu.au/int-academic

Undergraduate and postgraduate coursework
Applying for an undergraduate course? You’ll need qualifications equivalent to an Australian Year 12 Senior Secondary Certificate.

Some courses also need you to demonstrate prior knowledge of particular subjects:

- an Australian Bachelor’s degree or an approved international equivalent qualification, or
- a combination of qualifications and work experience which we consider to be suitable preparation for entry into your chosen course.

We also accept these English tests, except where specified:
- TOEFL Internet-Based Test (IBT)
- Pearson Test of English (PTE) Academic
- C1 Advanced
- C2 Proficiency

Our minimum accepted scores for English tests are listed below. Some courses may have different English requirements.

- If you already know your preferred course, you can check the requirements here: latrobe.edu.au/int-courses
- Found your course’s required IELTS score and it’s higher than our minimum requirements? Check our website for all equivalent scores: latrobe.edu.au/int-english

Other proficiency
You may be able to demonstrate your English proficiency using your academic qualifications.

For additional information, please refer to our website: latrobe.edu.au/int-english

La Trobe life from day one

We offer international pathway programs through our on-campus provider La Trobe College Australia (LTCA). They’re based at our Melbourne and Sydney campuses, so you’ll be perfectly placed to transition to university and the Australian way of life.

With English language and pathway programs ranging from 10-week blocks to 12 months, LTCA helps thousands of international students like you to study at La Trobe University.

LTCA’s highly qualified lecturers specialize in university preparation, so they understand the unique needs of international students transitioning to a new culture, language and education system.

And when you study on campus, you’ll get the university experience from your first day – including access to all the best facilities, social activities and student clubs.

Undergraduate pathways
LTCA offers Foundation Studies and Diploma programs to prepare you for undergraduate study. They provide pathways to a range of undergraduate degrees.

- If you’ve just completed the equivalent of Australian Year 11, our Foundation Studies programs will prepare you to enter the first year of a Bachelor’s degree.
- If you’ve completed the equivalent of Australian Year 12, Diploma programs help you transition into the second year of a related Bachelor’s degree.

Postgraduate pathways
Want to study a Master’s degree but need some extra support? Our Postgraduate Enabling Program (PEP) provides a pathway into a wide range of our Master’s degrees, and is delivered by LTCA in Melbourne and Sydney.

English programs
Need to meet the language requirements for your course? Study English on-campus in Sydney or Melbourne with LTCA, then progress into your pathway course or La Trobe degree.

Other pathways
As well as our on-campus provider, we also accept students through other pathways including colleges, universities and partner institutions. Our team can help you with any questions you might have.

For more information about all our pathway options, see: latrobe.edu.au/int-pathways

How it works
Thinking of coming to La Trobe University through LTCA? We’ve illustrated what that could look like below.

For information on LTCA eligibility requirements and full details on all available programs, visit the LTCA website: latrobecollegeaustralia.edu.au

Choose your path to La Trobe

Found your dream course, but don’t quite meet the academic or English language entry requirements? That's okay. There's more than one path to studying with us.

Undergraduate pathways

1. Students successfully completing a Foundation Studies or Diploma program at La Trobe College Australia will receive a qualification from Navitas Brandons Pty Ltd (CRICOS Provider Code 037310D), part of the global education provider Navitas Limited.
2. English programs in Melbourne are delivered by Navitas Bundoora Pty Ltd (CRICOS Provider Code 00289M) and in Sydney by Navitas English (IELTS) Pty Ltd (CRICOS Provider Code 02388M).

---

*To be employable in any workforce, you need to be adaptable to digital technology. La Trobe is quite innovative in its courses – it was definitely my first choice.*

--

**Susan Saldanha**

2019 International Student of the Year – Higher Education Bachelor of Commerce/Bachelor of Health Sciences India

---

1. Once you’ve completed this Bachelor’s degree, you could extend your skills with an honours year. See online for more.
2. The academic entry requirements for this course may vary depending on the兰科大学. See online for full information.

Rachel Nguyen

Master of Business Analytics

Vietnam

---

"Thanks to La Trobe’s rankings, I believe my degree will be acknowledged and recognised worldwide. The lecturers here are experts in their fields and the teaching quality is outstanding."

---

1. Fee based on full course duration of 60 credit points.

**Note:** Some courses may have additional costs, and intake dates could change throughout the year and may vary between campuses. These courses will have additional entry requirements, such as undergraduate qualifications. We always keep the latest information on our course pages online, so check your course’s listing on our website.

1. With a score of no less than 6.0 in Speaking and Listening.
2. Your degree will include subjects deliverable at each of these campuses.
3. You can also fast track this degree in 1.5 years (accelerated). See online for more.
4. Fees based on course's standard annual load of 90 credit points.
Research at La Trobe

When you research at La Trobe, you're choosing to be at the centre of a globally renowned research community that's addressing the biggest challenges of our time.

Our degrees
We offer PhD, Professional Doctorate and Masters by Research programs depending on your goals and your educational and professional background. Which degree is right for you? Find out here: latrobe.edu.au/int-research-degrees

Research focus areas
We challenge you to help make the world a better place. At La Trobe, we target five Research Focus Areas (RFAs):
- building healthy communities
- securing food, water and the environment
- sport, exercise and rehabilitation
- transforming human societies
- understanding disease

These focus areas build on our strengths and address some of the most pressing questions affecting our future. Learn more here: latrobe.edu.au/int-rfas

How we’ll help you
Research infrastructure
As a graduate research candidate, you’ll be able to access purpose-built and custom-designed research facilities. From physical facilities like the La Trobe Institute for Molecular Science to our research platforms that maximise our strengths, we’ve invested in infrastructure to help your research make an impact:

latrobe.edu.au/int-research-facilities

Scholarships
We know what it’s like when you’re focused on your research: you don’t want anything to distract you. Our supportive scholarships for international students can help you cover tuition fees, manage your living expenses and more. Learn more here: latrobe.edu.au/int-research-scholarships

Research support
Prepare for the next step in your career with our Research Education and Development (RED) support program. We help La Trobe graduate researchers and early-career researchers develop:
- quality research practices
- strategies to achieve publication and source funding
- insight into career paths and industry sectors
- excellent research communication skills

Find out more: latrobe.edu.au/int-red

Industry and community engagement
We know that graduates don’t always remain in academia. That’s why we’ll support you to develop your skills and build contacts outside the university sector. The people you meet at La Trobe will help you build a rewarding career, no matter where life takes you.

If you want to grow your networks while you research, try an internship or mentoring program. Another way is our La Trobe PhD with an industry focus, which embeds you in an organisation where you’ll use your research to solve problems and build your professional networks.

You’ll learn from Australian industry leaders. You’ll build a track record of delivering results. And when you’re finished, you’ll be amazed at the opportunities that come your way.

There’s more information here: latrobe.edu.au/int-industry-community

How to get started
Ready to change the world? Find out how to research at La Trobe: latrobe.edu.au/int-apply-research

La Trobe provides me with an international qualification and the skills to overcome challenges – not only in research, but also in communication and social involvement.

Chi Le
PhD (Environmental Management)
2017 International Student of the Year – Premier’s Award Vietnam

---

We can’t wait to welcome you to La Trobe. When you’re ready to apply, we’re here to help you with every part of the process – from helping you find the right course to preparing you for Australian life.

1. Choose your course
Find a course in this guide, then head online to find out all the details.
Want to speak to someone about which course is right for you? We’re here to help:
latrobe.edu.au/int-contact

2. Check the entry requirements
Make sure you understand your course’s entry requirements, including academic and English language requirements.
This guide lists indicative requirements for our courses. If you know the course you want to study, check its full entry requirements online: latrobe.edu.au/int-courses

3. Check your pathway options
Need support to meet your course’s entry requirements? We offer English language and pathway programs through our on-campus provider La Trobe College Australia.
latrobe.edu.au/int-pathways

4. Get your documents ready
You’ll need to provide supporting documentation for your application. As you’ll need to collect several documents and get some of them certified, it’s a good idea to start work on this step as early as possible.
Find out more: latrobe.edu.au/int-apply

5. Submit your application
As an international student, you can apply directly to La Trobe or with the help of one of our overseas representatives. Find a representative in your country:
latrobe.edu.au/int-agents
We accept applications throughout the year. You can apply online via our International Online Application System: student.latrobe.studylink.com
If you need help completing your application, or have any questions about the process, we’re always here to help. Email us at: LTIRecruitment@latrobe.edu.au

6. Accept your offer
Once we’ve assessed your eligibility, if you’re successful, we’ll provide you with a Letter of Offer and Offer Acceptance Form. We’ll also provide a guide on the next steps to accept your place in your course. Learn more here: latrobe.edu.au/int-accept

7. Prepare for study at La Trobe
Our International Student Services team will help you prepare for study, and when it’s time to join us on campus, they’ll help you get ready for life in Australia. Here’s how:
latrobe.edu.au/int-prepare

Find an agent
Want some extra support? Our authorised agents can help you with advice and information on the application process.
Find an authorised La Trobe University agent here:
latrobe.edu.au/int-agents

La Trobe University acknowledges that our campuses are located on the lands of many Traditional Custodians in Victoria and New South Wales. We recognise their ongoing connection to the land and value their unique contribution to the University and wider Australian society.
La Trobe University is committed to providing opportunities for Aboriginal and Torres Strait Islander people, both as individuals and communities, through teaching and learning, research and community partnerships across all our campuses.
The wedge-tailed eagle (Aquila audax) is one of the world’s largest, and the Wurundjeri people – Traditional Owners of the land where our Melbourne campuses are located – know the wedge-tailed eagle as Bunjil, the creator spirit of the Kulin Nations.
There is a special synergy between Bunjil and the La Trobe University logo of an eagle. The symbolism and significance for both La Trobe and for Aboriginal people challenges us all to gamagoen yarrbat – to soar.
