Purpose:

The Indigenous Student Success Program (ISSP) Advisory Group provides for an Indigenous governance mechanism with specific reference to ISSP funding. It reports into the Student Support Sub-Committee, which is a sub-committee of the University's Senior Executive Group.

The Group fulfils the University's obligations under the Indigenous Student Assistance Grants Guidelines 2017.

The group provides advice to the Pro Vice-Chancellor (Indigenous) and Deputy Vice-Chancellor (Academic) on all matters related to ISSP funding, including, and not limited to funding allocations, evaluation of programs, reporting obligations and stakeholder engagement.

The Student Support Sub-Committee will consider allocations for ISSP, SSAF and HEPPP funding on an annual basis. The sub-committee will make recommendations to the Senior Executive Group.
