

Darbin City Council acknowledges the Wurundjeri Woi-wurrung people as the traditional owners and custodians of the land and waters we now call Darbin and affirms that the Wurundjeri Woi-wurrung people have lived on this land for millennia, practising their customs and ceremonies of celebration, initiation and renewal. Council acknowledges that Elders past, present and emerging are central to the cohesion, intergenerational wellbeing and ongoing self-determination of Aboriginal communities. They have played and continue to play a pivotal role in maintaining and transmitting culture, history and language.
