International Student Responsibilities

Any change to personal details which appear on your passport (such as Change of Name) should also have been reported to the Department of Immigration and Citizenship (DIAC) as soon as possible after the date of that change.

To comply with visa condition 8533, international students must: Advise the University within seven days of arrival in Australia of a current residential address and of any subsequent changes of address, within seven days of each change.

Change of Address**New Home Address:**

Home Address is permanent home residence (This must be an overseas address).
