Bachelor of Biomedical Science (Medical)

School Endorsement Form – Year 11 Results

La Trobe's [Bachelor of Biomedical Science \(Medical\) program](#) is exclusively offered to 15 students across our Bendigo and Albury Wodonga campuses. This is a highly competitive course. You will have to have lived regionally ([MMM2 – 7](#)) for 5 years consecutively or 10 years cumulatively. Another component of the admission process is the submission of your rurality form.

To be considered for an interview for admission into the Bachelor of Biomedical Science (Medical) degree, applicants who are current Year 12 high school students will receive a La Trobe Entrance Rank (LTER) based on selection indicators as determined by completion of this form. The LTER and the rurality form will be used to determine which current Year 12 applicants are offered an interview.

As part of the application process, students are required to have this form completed by a designated staff member at their school – either the VCE or Year 11 Coordinator (or nominee). By signing this form, the designated staff member is declaring that the information provided is complete and accurate.

Please ensure that a copy of your official Year 11 results are submitted with this form.

[STUDENT TO COMPLETE]

Applicant details

First name: _____ Surname: _____

Other given names: _____ Date of birth: _____

School: _____ VTAC/UAC ID number: _____

Please attach an electronic copy of this document to your Rurality Form application, along with a copy of your official Year 11 results. Email biomed.medical@latrobe.edu.au if you are having issues with the form. *Please note, some schools have advised that they are happy to submit the School Endorsement Form to La Trobe on behalf of their students. Please check with your school.*

Important to understand:

This form is specific for application to the Bachelor of Biomedical Science (Medical) degree – it will not assist you with entry pathways into other educational institutions or other courses at La Trobe University.

- Completing this form does not guarantee you a place at the Bachelor of Biomedical Science (Medical) Multiple Mini Interviews (MMI).
- Privacy statement: The information provided on this form will only be used to calculate your La Trobe Entrance Rank (LTER) and in our selection for interview process. The personal information you provide on this form will not be used for any other purpose.
- This form is not designed to replace your current studies – current studies should be your priority.
- This program is not an alternative to English language studies during your Year 12 learning.
- To be offered a place in the Bachelor of Biomedical Science (Medical) program you will still need to meet the minimum ATAR and entry requirements. You will also need to complete the MMI and rank competitively to be selected.
- You still need to complete the Rurality Form and prove that you have lived regionally ([MMM2 – 7](#)) for 5 years consecutively or 10 years cumulatively. Acceptable documentation for proving this can be found <https://www.latrobe.edu.au/study/apply/undergrad/rurality/evidence-notes>
- In addition to submitting this School Endorsement and the Rurality Forms, all applicants must apply for the Bachelor of Biomedical Science (Medical) degree through either the Victorian Tertiary Admissions Centre (VTAC) or the University Admissions Centre (UAC). If you already have either a VTAC or UAC identifying number, please write it in the space provided above.
