**Head of Campus, Mildura**

Sandra (Sandy) Connor joined La Trobe in 2011 as a member of the La Trobe Rural Health school, lecturing in the Bachelor of Nursing. Sandy was appointed as the Mildura Head of Campus in September 2022.

As Head of Mildura Campus, Sandy is responsible for establishing and maintaining partnerships between the Provost and Schools, the Office of the Vice Chancellor, and the Divisions, with local government, communities, industries, schools and other educational providers. She leads the Mildura campus to support the delivery of both the University's strategic plan for Regional Victoria and the Mildura Campus strategic plan.

Sandy studied Bachelor of Nursing at La Trobe Bendigo and worked as a Registered Nurse in both Acute and Community settings for over 15 years. Her role as Nurse Lead for Mildura campus sees her responsible for ensuring the Bachelor of Nursing is delivered to Mildura students. She is also part of the broader LRHS leadership group.

Sandy is currently undertaking her PhD, which is exploring young rural men's perceptions of contemporary masculinities.
