## Master of Teaching (Secondary) – NEXUS

Applicants who wish to be considered for the Master of Teaching (Secondary) NEXUS program are asked to submit additional information, along with contact details for one referee.

Nexus is an employment-based, social justice teacher education program. In addition to these usual entry requirements, NEXUS teachers are required to submit this written statement and, if selected, to attend an interview.

The purpose of these additional requirements is to learn more about applicants' backgrounds, experiences and aspirations to become Secondary teachers in low socioeconomic and regional/rural/remote Victorian schools where quality teachers are crucial.
