- Teacher's aide
- After school/holiday program coordinator
- Tutor
- Community development program leader
- Business education support officer
- Council education officer
- Project manager
- Risk and compliance work
- Academic skills facilitator
- Careers advisor
- Assessment writer
- Conservation educator

Discipline specific/technical skills

Technical skills that you will develop as part of your course:

- Assessment skills
- Research and analysis skills
- Critical thinking
- Curriculum development
- Project/strategic management
- Communication skills
- Understand the nature of learning

Major employers

Potential organisations for graduates to find employment include:

- Local councils
- Victorian Government
- Community student education providers
- Community adult education providers
- MADEC
- Tutoring service providers
- Community hubs
- Cultural groups
- U3A
- Standards accreditation agencies
- Museum of Victoria
- Neighbourhood houses
