Advance your career: become a **business leader**

The La Trobe MBA adopts a practical, industry-focused approach for professionals seeking to accelerate their careers. Taught by highly qualified teaching staff with industry experience, you'll graduate with the necessary leadership and management skills to excel in a rapidly changing business environment.

Our MBA draws on a range of industry partnerships, placing a strong emphasis on enterprise learning. You'll study with like-minded professionals who have at least three years' management experience.

Why study business administration?

- **Enhance your business knowledge and increase your earning potential.***
- **Hone your leadership skills for a broad range of industries, including banking and finance, information technology and consultancy.**
- **Learn how to tackle and solve challenges faced by today's businesses.**

Course overview

The Master of Business Administration is a highly flexible course that offers full-time and part-time options, block mode intensives and evening, weekend or online classes.

You'll cover emerging issues such as digitisation, globalisation and responsible leadership. You'll apply theory to practice via interactive workshops and study tours, and cultivate critical thinking with real-world case studies. Prior to graduation, you'll work with an industry career consultant to prepare a career development portfolio.
