

Program & Registration Links

11 November 2020

8:50am – 10:00am
Keynote Address

Tortured Data

Investors should remember that the interpreter of the data speaks, not the data itself, and be vigilant to this fact. Many incentives exist to strategically manipulate data to uncover a convenient “truth.”

Professor Campbell R. Harvey
Duke University and Research Affiliates

Chair:
Prof Petko Kalev
La Trobe University

Professor Susan Dodds
Deputy Vice-Chancellor (Research and Industry Engagement), La Trobe University, will open the conference
