WHAT IS THE BECOME ME PROGRAM?

- La Trobe has partnered with **BECOME ME** to create an exciting **FREE** short online course which allows you to design and move into your future career with confidence
- **BECOME ME** works with schools, elite sporting clubs and now tertiary institutions
- Assists in building awareness, aspirations and agency surrounding your future career path
- Develop skills to build and shape your career
- Three 2 hour online sessions
- Scheduled fortnightly
- Complete individual and group activities

4

4

WHAT WILL THE PROGRAM ENTAIL?

- Required to attend three 2 hour online sessions
- Opportunity to informally meet up with other students in between the online sessions

1. Awareness
2. Aspiration
3. Agency

5

5

AWARENESS

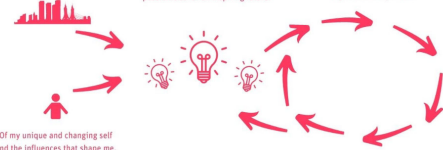

Of the broad and constantly changing world of work.

ASPIRATION

The skills to put myself together with the world of work to create (not pick!) possibilities for an inspiring future.

AGENCY

To design and implement experiments that help me test, practise and refine my ideas for my future.

Of my unique and changing self and the influences that shape me.

6

6

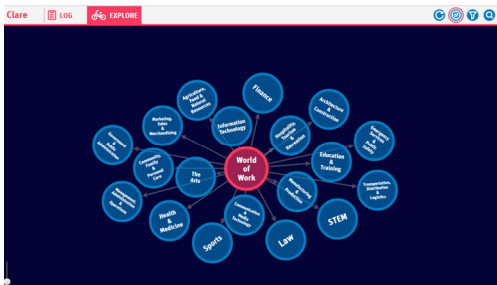

WHAT WILL THE PROGRAM ENTAIL?

- Creating your Log and a number of activities connected to the 'whats' and 'whys'
- Journal entries and activities
- Shaping my own future
- Exploring influences in career choices
- The world's to do list
- Asking your own killer questions
- Networking your experiment

7
