Workshop One: Teach Chinese Language in Australia

- Overview of the Australian education system.
- Australian educational principles, ideas, and traditions.
- What are the opportunities available for teaching Chinese in Australia?

Speaker:
Dr Shem Macdonald
Lecturer, Languages and Education
School of Education, La Trobe University

Dr Macdonald is a language education expert specialising in teaching and research in language education. With vast experience in teaching English and educating teachers in Australia, he focuses on multilingual education, identities in language learning, and the challenges faced by bilingual educators.

Date and Time:

Friday, 28th July 2023
10:30 am - 12:00 pm AEST

Venue:

Level 2, 360C-2.20C (Conference Room)

Address:

City Campus, La Trobe University
