Clever can mean academic results. Great test scores. Top marks on an essay.

That’s one way to think about clever.

But at La Trobe University it’s not the only way, because we offer a personalised experience that develops every part of you.

We teach you the technical skills to land your dream job, in courses co-designed with industry. We offer Work Integrated Learning to build your professional experience. And we help you develop the skills employers value most: passion, resilience, empathy and curiosity.

La Trobe’s research is ranked in the top 1.5% of universities worldwide*, and our partnerships with international institutions and industries promote a truly global education for our students.

That means a winning edge in today’s competitive job market. All delivered in a diverse, supportive environment at one of the world’s best universities.

Don’t just be clever. Be all kinds of clever.

*QS World University Rankings 2019; Webometrics Ranking Web of Universities 2018
WE'RE HOME TO SOME OF AUSTRALIA'S MOST DISTINGUISHED SCIENTISTS...

"My career in genetics started at La Trobe. I want to help the University strengthen its commitment to attracting and retaining talent so that other young scientists have the same opportunity."

Professor Jenny Graves
La Trobe University geneticist, Distinguished Professor and VC’s Fellow. Awarded the Prime Minister's Prize for Science 2017.

"...PLUS HIGH ACHIEVING ALUMNI...

"Returning to China after studying in Australia, I realised that my global mindset, combined with my understanding of the local Chinese market, could help me succeed. My experience at La Trobe was not only great from an academic perspective, it also gave me the global outlook I am now applying to my work as an entrepreneur."

Jill Tang
La Trobe graduate/ Co-founder, Ladies Who Tech

...AND WE HAVE A PROUD HISTORY OF DIVERSITY, RECENTLY CELEBRATING OUR 200,000TH GRADUATE...

"It feels great, it feels unbelievable, and this will stay with me forever. Studying at La Trobe helped me grow a lot as a person. I enjoyed meeting people from different backgrounds and learning from them. I was proud to be part of the Indian community at the University, celebrating festivals and showcasing our culture."

Harsha Iruvaram
La Trobe's 200,000th graduate
Master of International Business

WE'RE IN THE TOP 1.5% OF 27,000 UNIVERSITIES WORLDWIDE.

OUR GRADUATES HAVE AN EMPLOYER SATISFACTION RATING OF 86.6% PLACING LA TROBE SECOND AMONG VICTORIAN UNIVERSITIES.

WE'RE TOP RATED NATIONALLY AND WELL ABOVE WORLD STANDARD IN 19 FIELDS OF RESEARCH.

WE OFFER A LEADING CAREER READY PROGRAM THAT DEVELOPS PROFESSIONAL SKILLS.

LA TROBE IS THE FIRST UNIVERSITY IN AUSTRALIA TO RECEIVE A SIX-STAR RATING FOR SUSTAINABLE LARGE-SCALE DEVELOPMENTS.

---

1. QS World University Rankings 2019; Webometrics Ranking Web of Universities 2018
2. Employer Satisfaction Survey (ESS) 2017
3. Excellence in Research for Australia Report 2015
4. Green Star – Communities accreditation, measured against five impact categories: governance, liveability, economic prosperity, environment and innovation
Ten reasons to choose La Trobe

High employability
Our graduates are in demand. According to the Employer Satisfaction Survey (ESS) 2017, we're rated in the top two universities in Victoria for graduate employer satisfaction. Our strong relationships with industry create opportunities for our students to get hands-on experience in their field. Many of our courses are industry accredited and designed in consultation with industry.

Our strong global reputation
We’re known for academic excellence and innovation. Our respected teaching and research staff focus on the big issues of our time. In the QS World University Rankings 2019 and Webometrics Ranking of Web of Universities 2018, La Trobe placed in the top 1.5 per cent of universities globally.

Our Career Ready program, developed with industry leaders
Preparing for work is challenging. You need practical skills and knowledge, as well as professional experience. Career Ready prepares you for life beyond La Trobe, and Work Integrated Learning gives you industry experience while you study. Learn more on page 6.

Our Accelerator Program for emerging entrepreneurs
Want to start your own business? Our Accelerator Program gives successful applicants up to A$20,000 to pursue a business plan. Create market strategies. Connect with business leaders. Be mentored by experienced professionals.

Our regional reward
We provide the Regional Reward for Bachelor’s students at any of our Victorian regional campuses. The Reward guarantees Work Integrated Learning as part of your degree and funding for international study. Apply your knowledge in a practical environment. Gain a competitive career edge when you graduate.

Our student clubs and societies
We have more than 90 clubs and societies where you can connect with your peers. Meet amazing people with diverse interests. Form lifelong friendships. Host careers nights and professional networking events. See page 14 for more information.

Our student clubs and societies
We provide a diverse, friendly, supportive and safe learning environment for all students. We have on-campus services including chaplaincy, personal support and counselling. We offer Muslim prayer rooms and support for people with disabilities. And we’re home to the Ngarn-gi Bagora Indigenous Centre, a learning space for Indigenous students.

Our dedicated International Student Services team
Our International Student Services team provides support for academic, social, financial and cultural concerns. Seek help early if you are having any difficulties. Learn more on page 15.

There are many reasons to study abroad: gain global perspectives, learn new skills, advance your career. But which university is right for you? Here are 10 reasons to choose La Trobe.
Get Career Ready while you study

Our Career Ready Advantage program prepares you for work before you graduate. Develop the skills and qualities employers need and graduate with a global outlook.

We’ve developed Career Ready in consultation with industry to help you become more employable. Through the program, you can:
- manage your career
- gain work experience
- develop skills
- connect with employers, mentors and recruiters
- create a portfolio of your skills and experience.

How Career Ready supports you

Mentoring
Meet industry professionals who provide valuable insights into your future field of employment. They’ll also help expand your professional network.

Career Ready advisers
Get advice on finding a job, choosing a career path and developing your skills. Career Ready advisers help you access online resources to find paid work, work placements and volunteering opportunities. They can also connect you to networking events where you’ll meet employers.

Online career-building courses with Lynda.com
Lynda.com is LinkedIn’s online course library. It can help develop your employability skills in a wide range of work-related areas.

Find paid work while you study
Unitemps is our on-campus recruitment service, helping you find practical experience while you study. Consultants place you in jobs that match your skills and career goals.

Work Integrated Learning
Apply your knowledge with our Work Integrated Learning program. Our strong network of industry partners gives you valuable work experience before you graduate.

Career Ready Advantage Award
This award recognises your participation in Career Ready activities. It’s a great way to showcase your skills to future employers. You can also receive priority access to internships, LinkedIn workshops and professional networking.

Welcome to the 'world's most liveable city'

Melbourne is a multicultural capital, home to one of the world’s most diverse student communities. Listed in the international top 10 student destinations, Melbourne has also been named the ‘world’s most liveable city’ seven times in a row.

There is always something to do in Melbourne. The city has many art galleries, cultural festivals, music and sporting venues, shopping districts, cafes and restaurants from every part of the world. Explore the interesting alleyways and discover what the city has to offer.

You could also find the internship or job to advance your career. Melbourne is home to many globally recognised companies, with every industry represented at the highest level.

Safe and affordable with an unbeatable lifestyle, Melbourne is only a short drive from some of Australia’s most beautiful natural locations.

Top five Melbourne activities

- Watch the sun set over St Kilda Beach.
- Cycle along the Yarra River and enjoy a picnic at the Botanical Gardens.
- Taste the local produce at the Queen Victoria Market.
- See native wildlife at the Melbourne Zoo or Healesville Sanctuary.
- Explore Melbourne’s laneways, featuring hidden cafes and colourful street art.

Melbourne campuses

Melbourne Campus

Surrounded by bushland, our Melbourne Campus is one of the largest in Australia. It has a variety of cafes, a sports centre, a medical centre, student accommodation and a multi-level library. We are a welcoming community, with state-of-the-art research centres and our own wildlife sanctuary.

Located in a safe and quiet neighbourhood of Melbourne, our campus helps you achieve your academic best. We provide dedicated study rooms such as the Women’s Lounge, the Law Common Room, and the MADO (Mature Age Student Organisation) Lounge. We also host many cultural and academic events on campus to make you feel at home.

26 000+ students

City Campus

Located in the central business district, our City Campus offers a number of postgraduate courses in business, health and law, as well as our suite of cybersecurity degrees. The recently expanded campus provides modern facilities and state-of-the-art resources to help you advance or relaunch your career.

With dedicated student support services, we ensure a positive and personalised student experience. Our International Student Services team host weekly drop-in sessions to answer your questions and provide the guidance and support you need to enjoy your time studying in Melbourne.

800+ students

Live on campus

We offer a range of accommodation options at our Melbourne, Bendigo and Albury-Wodonga campuses. Explore your options on page 76.

Life in regional Victoria

We’re proud to offer modern and innovative courses in Victoria’s regions, and our campuses offer unique links to their surrounding communities.

Our communities are surrounded by national and state parks. There, you can explore rivers, forests and mountains, and experience local wildlife and cultural heritage. Victoria’s regional centres have services close to hand. Commuting to university is quick and easy, and living costs are significantly lower.

We partner with cultural, sports and local organisations, allowing you to meaningfully engage with our communities.

Bendigo is a fast-growing, vibrant hub in regional Victoria. Originally the epicentre of the 1850s goldrush, Bendigo is rich in Australian history and features grand, Victorian-era architecture. Bendigo also has a strong multicultural history, with one in five of the early population emigrating from China. Now a large and modern city, Bendigo remains surrounded by native bushland. This gives a vibrant yet relaxed energy, and ensures a rich and focused learning experience.

Comprised of twin cities on opposite sides of the Murray River, Albury-Wodonga is Australia’s largest inland regional centre. A great place to live and study, Albury-Wodonga boasts many employment, sporting, leisure, cultural and entertainment opportunities. Join an outdoor activities club and make friends while learning about the area’s unique atmosphere.

Explore Victoria

Everywhere you turn there is something special to see and do. Explore sandy beaches and snow-covered mountains, and get up close with our native wildlife. Highlights include:

- Phillip Island: Learn to surf and experience the penguin parade.
- Great Ocean Road: Tour the rugged coastline and experience the 12 Apostles.
- Mornington Peninsula: Relax on sandy beaches and visit world-class wineries.
- Grampians National Park: Hike along scenic trails and spot kangaroos and emus.
- Yarra Valley and Dandenong Ranges: Sample world-class wines and taste local delicacies.

Regional campuses

At our regional campuses, you can study a range of courses including leading programs in exercise physiology, physiotherapy, pharmacy and oral health. Our engineering, IT, business, teaching and nursing programs provide unique opportunities to work with local industry, building your practical skills before you graduate.

Regional Rewards allows you to study at any of our regional campuses and receive funding for international study and guaranteed industry experience that counts toward your degree. We also offer place-based subjects unique to our campuses. As well, we enjoy exclusive industry partnerships, creating a learning experience that immerses you in our rich regional culture. Each campus also offers a safe, affordable environment including personalised support, giving you every opportunity to succeed.

Bendigo Campus

The Bendigo Campus is the region’s largest provider of higher education. Currently undergoing a $50 million upgrade, the campus will offer a world-class library, and technology and engineering facilities. You’ll benefit from our wide range of programs, as well as our connections with local businesses, festivals, galleries, sporting teams and City Council.

- 5000+ students

Albury-Wodonga Campus

At our beautiful, tree-lined campus, we provide a personalised learning environment with strong industry connections. The campus is home to two of Australia’s leading research centres, which focus on ageing in regional communities, and water science and policy of the Murray-Darling basin. This ensures undergraduate students are working with Honours and research students on some of the biggest issues of our time.

- 800+ students

Life in Sydney

Bright lights and coastal delights

Sydney is one of the world’s most popular study destinations for international students, featuring world-famous beaches, national parks and icons such as the Harbour Bridge and Opera House.

A diverse and multicultural city, Sydney is also Australia’s financial capital and the perfect place to kick start your career. You’ll be close to job and internship opportunities with global companies that value your experience.

Sydney Campus

Our new A$10 million campus is located in the centre of Sydney, next to beautiful Hyde Park and close to train stations. Studying here gives you easy access to café districts, shopping centres, and work and internship opportunities.

With students from more than 30 countries, studying at La Trobe Sydney is a rich, multicultural experience. Our small class sizes offer you a personalised learning experience and one-on-one support. We also provide a range of on-campus services, including academic support and peer mentoring.

Equipped with state-of-the-art facilities, the campus offers a range of pathway programs, as well as Bachelor’s and Master’s degrees, within a friendly and supportive study community.

800+ students

Top five Sydney activities

- Climb the Sydney Harbour Bridge.
- View the beautiful coastline as you walk the Bondi to Coogee track.
- Take a day trip to the Blue Mountains.
- Visit Circular Quay, taking in the Opera House and the Royal Botanic Garden.
- Catch a ferry to Taronga Zoo.

Shepparton Campus

Our vibrant campus, located in the heart of Shepparton, is a community hub where the city’s schools, community groups and festivals all come together. The campus is equipped with excellent teaching, study and communal spaces, including a Clinical Learning Unit with advanced teaching technologies.

Enjoy a lively arts and agricultural community within the Goulburn Valley region.

800+ students

Mildura Campus

Our Mildura Campus offers you many opportunities to immerse yourself in the community and local industry. Studying at a smaller campus, you’ll enjoy a tailored learning experience. Our graduates make up the majority of nurses, teachers, social workers and business professionals employed across the local region. Many alumni serve as CEOs and senior leaders in the community. Mildura is known around the world as a major food-producing region, offering renowned cuisine and a lively arts and culture community.

There’s more to La Trobe than classes. You can volunteer and help your community, join one of our many clubs and societies, or lace up your boots and get active.

Start a social enterprise
The Big Idea is a competition that challenges you to come up with a community-focused business idea and pitch your business plan to a panel of influential industry professionals.

Connect Volunteer Program
Become involved in our seven-week Connect Volunteer program, where you’ll welcome new students to the La Trobe community and help them transition to university life.

Volunteer as an International Host
Help out during Orientation and provide a warm welcome for our incoming international students.

Get fit, stay fit
Join our football, soccer or netball teams, or take advantage of our on-campus Sports Centre, which offers a range of services to keep you fit and healthy while you study.

Join a club or society
With a huge range of student-run clubs and societies, you’ll have plenty of opportunities to meet people who share your sporting, political, cultural or academic interests.

Orientation
Orientation is your official start to university life. This is your opportunity to meet your classmates, explore your campus and learn everything you need to get started.

International Student Services
Our team of international education professionals support you from enrolment to graduation. We offer a variety of services to help you feel at home at La Trobe.

Our team of international education professionals support you from enrolment to graduation. We offer a variety of services to help you feel at home at La Trobe.

Learning support
We are committed to helping you succeed in your studies. We offer a range of study and support programs, including:

- Peer Learning Advisers (PLAs)
- workshops and seminars
- academic progress outreach
- advice, support and referrals to campus services.

One-on-one support
Book a one-on-one appointment to discuss any academic, financial, personal or visa issues you may have. Make an appointment by visiting your local International Office.

Supporting you through to graduation

Welcoming you to La Trobe

Pre-departure
The International Student Services (ISS) team provide all the information you need to prepare for life in Australia. Download the Pre-departure Guide and join a live webinar before you leave home.

Airport reception
All new international students are offered a free airport pick-up on arrival. You can book this service by emailing internationalarrival@latrobe.edu.au.

Check in to uni
After you arrive on campus, activate your student account at our international student check-in desk. Find out where to check in and what you’ll need to bring along.

Enrolment
Course advisers help you choose subjects and create your personal study timetable.

University Orientation
Orientation is compulsory for all new international students. You’ll learn important information about campus life while getting to know your peers.

Getting a head start in your studies by visiting the Ready4Uni website.

‘During Orientation, we weren’t familiar with the campus. Luckily, the International Hosts were always available to offer help whenever we needed it. They gave us the best study tips and advice on getting around campus.’

Master of Educational Leadership and Management student
Myanmar
English and academic entry requirements

At La Trobe University, we want you to succeed in your studies. To be admitted to your preferred degree, you'll need to meet the necessary English language and academic requirements.

English language requirements

English is the primary language used in lectures, tutorials and seminars. Therefore, it's important you meet the necessary requirements. We accept the following English language tests, except where specified:

- the IELTS (International English Language Testing System) Academic test
- the TOEFL (Test of English as a Foreign Language)
- the Pearson Test of English Academic (PTE Academic)
- the Cambridge Certificate in Advanced English (CAE)
- the Cambridge Certificate of Proficiency in English (CPE).

Other evidence of English proficiency may be accepted in individual cases. Refer to our website for more information about English requirements. [latrobe.edu.au/english-reqs](http://latrobe.edu.au/english-reqs)

Students without the required level of English need to satisfactorily complete an intensive program of English language before being admitted to La Trobe University. We can arrange an appropriate English language program at La Trobe College Australia, our preferred pathway provider. For more information, see pages 72 and 73.

Academic entry requirements

You'll also need to meet the academic entry requirements, which differ between degree programs.

Undergraduate

You must hold qualifications deemed equivalent to an Australian Year 12 Senior Secondary Certificate of Education if you want to apply for an undergraduate course at La Trobe University. These academic entry requirements are listed online.

Prerequisites

Some courses also require prior knowledge of a certain subject or subjects, which can be found in the full course listing. Please refer to the website for more information about your particular courses. [latrobe.edu.au/courses](http://latrobe.edu.au/courses)

Postgraduate coursework

Refer to the individual course descriptions online for specific admission requirements. [latrobe.edu.au/courses](http://latrobe.edu.au/courses)

At a minimum, you are required to have:

- an Australian Bachelor’s degree; or
- a combination of qualifications and professional experience which, in the opinion of the College, is considered suitable preparation for entry to the proposed course of study; or
- an approved international equivalent qualification.

For more information about academic entry requirements, see. [latrobe.edu.au/academic-reqs](http://latrobe.edu.au/academic-reqs)

### IELTS

The local community connections and high-quality study experience at the Bendigo Campus sets La Trobe apart from other universities. Being involved in student clubs and extra-curricular activities through the University has become part of my learning process and improved my overall communication skills.

Chiranthi Indika Warusawitharana  
Master of Community Planning and Development student  
Sri Lanka

**Check your course prerequisites**

Postgraduate degrees generally require you to have completed the equivalent of an Australian undergraduate degree, with many having an additional set of prerequisites you will need to meet. Learn the requirements of your chosen degree by visiting the course URL.
Business and commerce

Studying business and commerce at La Trobe delivers more than just a degree. Whether you’re an emerging entrepreneur with a global vision, a driven stockbroker with the future in sight or a data analyst in the making, you’ll be rewarded for ambition and determination.

Whatever your ambition, the insights, experience and connections gained at La Trobe will help develop your career. Balance your studies with work placements, international study tours, business simulations, industry-related learning, field visits and mentoring.

You’ll thrive at La Trobe because we innovate in teaching and research. As a Business School student, you’ll graduate with the technical and enterprise skills to have a competitive edge in the changing world of business.

Our Business School is one of the few in Australia to offer courses with the highly regarded EPAS accreditation, awarded by the European Foundation of Management Development. This accreditation is given only to high-quality business and management programs with an international perspective.

Why study at La Trobe?

- Put learning into practice through our Work Integrated Learning program.
- Work with our Professors of Practice: influential and high-achieving industry professionals who assist in developing and teaching our degrees.
- Develop a global perspective by taking international study tours.
- Take advantage of advanced teaching and learning facilities at our state-of-the-art Donald Whitehead Building.
- Advance your career with personalised support in the heart of Melbourne’s CBD at our recently expanded City Campus.

Career outcomes

Our diverse suite of degrees can boost your career potential. Here are some of the jobs that could be yours:

Accounting and finance
- Accountant
- Auditor
- Consultant
- Financial analyst
- Financial planner
- Investment banker

Business and commerce
- Business analyst
- Business law specialist
- Economist
- Financial manager
- Import/export agent
- Recruitment consultant

Management
- Account manager
- Human resources manager
- Resort manager
- Sport manager
- Team manager

Marketing
- Content coordinator
- Content producer
- Digital marketing coordinator
- Events coordinator
- Marketing analyst
- Marketing coordinator
- Market researcher
- Media relations officer
- Social media coordinator

### Study our top-ranked MBA

In 2016, the La Trobe MBA was awarded the GMAA 5-star ranking and has been ranked by CEO Magazine as a tier A1 MBA degree.*

### Industry placements with global partners

Gain industry-relevant skills through placement opportunities with our major partners, including SAS, IBM and Microsoft.

### Check your course prerequisites

Postgraduate degrees generally require you to have completed the equivalent of an Australian undergraduate degree, with many having an additional set of prerequisites you will need to meet. Learn the requirements of your chosen degree by visiting the course URL.

### ‘Managing projects across multiple laboratories, clinics and field sites has been a great experience. Through La Trobe, I’ve advanced my knowledge and experience, and gained the leadership skills required to perform at a higher level.’

Henson Dima  
Master of Business Administration and Master of Health Administration student  
Papua New Guinea

**IELTS** English Language Requirements or Approved Equivalent

**Postgraduate Enabling Program (PEP) pathway option available** (see pages 72 and 73)
Use your knowledge to change lives. If your passion is education, our courses give you the skills and practical experience for a successful and rewarding career.

By studying with us, you’ll make a difference in your chosen field. Join a professional network of school teachers in a primary, secondary or early childhood setting. Influence education policy with leadership, communication and research skills. Take students on new adventures by teaching in the great outdoors.

We’ve redeveloped our education and teaching courses to prepare you for careers in schools, communities and beyond.

Learn from dedicated educators who pride themselves on high-quality research, community partnerships and industry connections.

Why study at La Trobe?

- Advance your career with a foundational first year that introduces you to national numeracy and literacy standards.
- Gain a competitive edge in your career, with education courses teaching you the latest in industry standards.
- Gain a global perspective through placements that pair you with local students and schools.
- Join our Excellence in Professional Practice program. Work in partner schools, develop professional networks and experience the daily life of a school year.

## New government entry requirements for teachers

If you’re enrolling in a La Trobe accredited teacher education course, you’ll need to complete a CASPer (Computer-based Assessment of Sampling Personal Characteristics) test as part of application for admission. Learn more: <latrobe.custhelp.com/app/answers/detail/a_id/2226/~/what-is-the-casper-test-%3F>

---

1. See online for a full list of entry requirements
2. ATAR shown is the lowest selection rank for offers made based on ATAR at the Melbourne or Bendigo campuses in 2018 (see online for other campuses).

---

*My degree has given me rich exposure to the English language, the culture of a Western country and a quality education in effectively teaching English.*

Kinley Wangchuk
Master of Teaching English to Speakers of Other Languages (TESOL) student, Bhutan
A La Trobe health degree rewards ambition and develops your career. Benefit from our industry partnerships and graduate with practical experience and a competitive edge.

At La Trobe, we have a reputation for excellence in health research and education. We’re rated well above world standard for our research in neurosciences and other medical and health sciences, and our nursing subjects are ranked in the top 100 globally. Studying health at La Trobe is a well-rounded experience. We give you the skills and knowledge to protect and promote health in organisations, workplaces and local communities. You’ll learn from highly regarded academic staff and have the chance to do clinical placements in leading hospitals, community centres and more.

Why study at La Trobe?

- Develop a global outlook on health through Study Abroad opportunities.
- Get career ready beyond city limits. The La Trobe Rural Health School provides opportunities to advance your career, along with study options for students in rural and regional communities.
- Learn with the best at our Clinical Schools, located within Victoria’s leading hospitals.
- Gain valuable hands-on experience through on-campus allied health clinics, including facilities for podiatry and speech pathology students.

Career outcomes

Our career-focused health degrees prepare you for the world of work. Our graduates work in hospitals, early intervention centres, private practices and research institutions. Possible jobs include:

**Allied health and rehabilitation**
- Art therapist
- Audiolgist
- Community health worker
- Dentist
- Exercise physiologist
- Nutritionist
- Occupational therapist
- Orthopaedist
- Orthotist
- Paramedic

### Prerequisites

1. See online for a full list of entry requirements

2. ATAR shown is the lowest selection rank for offers made based on ATAR at the Melbourne or Bendigo campuses in 2018 (see online for other campuses).

3. Non-standard teaching period. See online for more information

4. ATAR scores are not published for courses with fewer than five ATAR-based offers made. Equivalencies have been based on the entry standards for the most similar course

**Check your course prerequisites**

Postgraduate degrees generally require you to have completed the equivalent of an Australian undergraduate degree, with many having an additional set of prerequisites you will need to meet. Learn the requirements of your chosen degree by visiting the course URL.
At La Trobe, a world of opportunity awaits you. Our information technology and engineering courses are renowned for world-class teaching and research standards and practical, project-based learning. With industry experience and work placements, our courses develop your professional networks before you enter the job market.

Information technology
This fast-paced industry requires creativity and innovation. The rapid advance of technologies means traditional jobs will disappear and new ones will emerge, requiring advanced computer knowledge. We equip you with the technical skills and global perspective to understand why change occurs and how to best prepare for it.

Engineering
As new industries and technologies emerge, engineers must be multi-skilled and adaptable, working internationally and across traditional engineering disciplines. That’s why we have partnered with industry, designing degrees that address the profession’s growing complexity.

Why study at La Trobe?
- Test your skills at our annual Engineering and IT Showcase. Present your computer science, information technology and engineering projects to industry and academics.
- Work on innovative projects. Past students have created everything from a self-transforming mobile robot to a climate prediction tool.
- Benefit from state-of-the-art engineering, computer science and IT networking labs, including 24/7 lab access for group and assignment work.
- Develop your knowledge at our Bendigo Campus’s new engineering building, which includes innovative teaching spaces and academic workstations, along with research spaces designed to increase industry collaboration.

Learn more:
latrobe.edu.au/int-engineering-it

Career outcomes
Our diverse range of degrees are designed to boost your career potential. Here are some of the jobs that could be yours:

Information technology
- Business analyst
- Cyber intelligence analyst
- Cybersecurity consultant
- Database engineer
- Digital strategy analyst
- Mobile app and games developer
- Network security engineer
- Project manager
- Risk management specialist
- Systems analyst
- Web developer

Engineering
- Civil engineer
- Engineering consultant
- Geotechnical engineer
- Industrial engineer
- Large-scale project manager
La Trobe has provided me with the interpersonal, social and soft skills required in the corporate sector. The teaching staff are great and have helped prepare me for a career in IT.

2. Fee based on standard annual load of 90 credit points
La Trobe boasts one of Australia’s most dynamic, technically driven and innovative law schools. We offer high-quality clinical legal education and assessments that test your practical skills.

Gain practical experience while completing your degree. Work with a community legal centre or a private law firm. Take part in an international moot competition. Be mentored by experienced practitioners including barristers, solicitors and judges. Our courses give you opportunities to practise what you learn in a future-focused environment where you’ll thrive.

Our Law School is Victoria’s third oldest, with a proven history of producing work-ready graduates. Our students have landed high-ranking positions in prestigious law firms, the Victorian Bar, judicial administration, government and corporate bodies, Victoria Legal Aid, community legal services and public interest advocacy groups.

Why study at La Trobe?

**Law**
- Experience genuine small group teaching in our tutorials.
- Learn the fundamentals of Dispute Resolution Law, which is a core subject in both the law and criminology degrees.
- Access practical learning experiences in the real world through our clinical program.

**Criminology**
- Benefit from the only Victorian criminology program to include forensics subjects as core components of the degree.
- Apply your skills and knowledge in practical settings through our Work Integrated Learning program.
- Gain a global perspective by experiencing a different legal system in a different culture.

## Academic entry requirements

1. See online for a full list of entry requirements.
2. ATAR shown is the lowest selection rank for offers made based on ATAR at the Melbourne or Bendigo campuses in 2018 (see online for other campuses).

## Postgraduate degrees generally require you to have completed the equivalent of an Australian undergraduate degree, with many having an additional set of prerequisites you will need to meet. Learn the requirements of your chosen degree by visiting the course URL.

## Study a future-ready law degree

Take electives in legal entrepreneurship, cyber law and artificial intelligence at our convenient city location.
Defend biodiversity. Secure the future of food. Be at the centre of cutting-edge cancer research. Our leading academics bring scientific breakthroughs within your reach.

Take the opportunity to step into exceptional learning spaces, from wetlands to bushlands to multi-million dollar molecular science labs. Learn from elite academics, whose research rates well above world standard in over 15 scientific fields.1 Put theory into practice through industry programs that link you with the greatest scientific minds.

Build your career from the ground up. Our introductory subjects give you a solid framework for exploring all the opportunities and challenges that science offers. Our strong industry connections give you practical experience in your chosen field so you graduate job-ready.

Why study at La Trobe?

- Access outstanding research centres, including our A$100 million La Trobe Institute for Molecular Science.
- Attend a university that’s home to the A$288 million Centre for Agrbiobioeence, Australia’s first integrated agricultural systems biology research centre.
- Study indigenous plants and animals at our 30-hectare outdoor laboratory: the La Trobe Wildlife Sanctuary.
- Collaborate with talented peers and smart academics. Enjoy hands-on lab work and interactive teaching in small-sized lab classes.
- Build academic and professional networks with leading researchers and accomplished guest lecturers.
- Be mentored by graduates, peers and higher-year science students.

1. Excellence in Research for Australia 2015 report

---

Career outcomes

A career in science doesn’t always begin or end in the lab, with the many and varied job roles including:

**Agricultural and environmental sciences**
- Agribusiness manager
- Agronomist
- Aquaculture producer
- Biodiversity officer
- Conservation officer
- Environmental consultant
- Environmental educator
- Soil scientist
- Vigneron
- Wildlife biologist

**Physical and chemical sciences**
- Chemist
- Geoscientist
- Pharmacist
- Physicist
- Statistician

**Medical and psychological sciences**
- Biomedical researcher
- Dietitian
- Psychologist
- Speech pathologist

**Molecular and biological sciences**
- Animal technician
- Animal welfare officer
- Biotechnologist
- Plant scientist
- Zoologist

---

Check your course prerequisites

Postgraduate degrees generally require you to have completed the equivalent of an Australian undergraduate degree, with many having an additional set of prerequisites you will need to meet. Learn the requirements of your chosen degree by visiting the course URL.
Research at La Trobe

Study at a university globally renowned for its research excellence. We’re addressing the major challenges of our time and producing world-first findings that make a difference in our communities.

Our campuses feature world-class facilities and a strong support network dedicated to helping you succeed at every stage of your research career. We build strong partnerships, we encourage an ambitious culture and we continue to collaborate with leading international researchers.

Areas of research
We’re committed to research that helps solve global problems and improves the welfare of human societies. We place special emphasis on our five Research Focus Areas (RFAs), which are:

- building healthy communities
- securing food, water and the environment
- sport, exercise and rehabilitation
- transforming human societies
- understanding disease

Our degrees
We offer PhD, Professional Doctorate and Master’s by research programs. Choose a program that matches your personal goals and your educational and professional backgrounds.

latrobe.edu.au/research-degrees

Research scholarships
There are several scholarships available for international students. These cover tuition fees, help with your living expenses and more.

latrobe.edu.au/research-scholarships

Research Education and Development (RED) support program
The RED team supports and assists La Trobe graduate researchers and academic staff in:

- quality research practices
- strategies for success in research publication and funding
- insight into researcher career paths and industry sectors
- practising excellent research communication skills

latrobe.edu.au/red-support

Industry and community engagement
We have developed the La Trobe PhD with an industry focus and a range of internships and mentoring programs. Our industry partnerships enable you to build networks and gain valuable practical experience.

latrobe.edu.au/industry-community

How to get started
Ready to apply? The first stage of your application is identifying a research supervisor. Find out how to prepare and submit your application.

latrobe.edu.au/apply-research

"Becoming a scientist and university professor has been my professional goal since my Bachelor’s degree. La Trobe provides me with an international qualification and the skills to overcome challenges not only in research but also in communication and social involvement."

Chi Le
La Trobe PhD student
Winner, 2017 Premier’s Award, International Student of the Year
Fees

The cost of tuition varies between each course and is based on your semester study load. The fees quoted in this guide are indicative annual fees based on 120 credit points, unless otherwise noted. Tuition fees are subject to change each year and take effect on 1 January of the following year. All payment details can be found on making a payment from an overseas bank.

Overseas Student Health Cover

International students studying in Australia are required by law to obtain Overseas Student Health Cover (OSHC). OSHC provides you with a level of health insurance cover based on the Australian Medicare system. Organise your OSHC through an institution of your choice or purchase through the University. OSHC covers you from the day you arrive in Australia. latrobe.edu.au/oshc

Other course-related costs

Your course may require some additional costs such as textbooks, stationery, computer equipment, field trips, special equipment or clothing (where applicable). This is generally indicated on the course page under ‘additional costs’. It is also important to consider the costs of living in Australia. Learn more on page 77.

Scholarships and sponsorships

We want to support you in achieving your study and career goals. That’s why we offer scholarship and sponsorship opportunities across each of our campuses.

Undergraduate and postgraduate scholarships

- La Trobe College Excellence Scholarships award high-achieving international students by granting 15 to 25 per cent off tuition fees.
- Undergraduate and postgraduate regional campus scholarships award international students studying at one of our regional campuses with up to A$5,000 worth of tuition fees.

Research scholarships

- La Trobe University Postgraduate Research Scholarships (LTUPRS) award high-achieving students undertaking a research degree with a living allowance stipend for up to two years (Master’s) or four years (Doctoral programs).
- La Trobe University Full Fee Research Scholarships (LTUFFRS) award high-achieving students undertaking a research degree by covering two years of tuition fees (Master’s) or four years of tuition fees (PhD).

External scholarships

- The David Myers Research Scholarship awards the highest University-ranked graduate research scholarship applicants in each college, regardless of their discipline or nationality. Benefits include a significant contribution towards living costs, a research support grant, and research allowance.
- Specialist research scholarships are awarded to La Trobe students undertaking key research projects.

Student visa

Another cost to consider is your student visa. It is your responsibility to ensure you obtain and maintain a valid passport and student visa to enter Australia for study purposes. If we make you a full-time study offer and you accept it, you’ll be issued with a Confirmation of Enrolment (CoE) form. Use the CoE to apply for a student visa through the Department of Home Affairs website.

Learn more: latrobe.edu.au/student-visa

External sponsorships

- International sponsored students may also receive financial assistance from a government, organisation or company to study at La Trobe.

Other funding opportunities

We also assist international students in applying for loans from the following countries:

- US – La Trobe is certified by the US Department of Education to administer the William D. Ford Direct Loan Program (US Financial Aid).
- Norway – get assistance in applying for loans with Lanekassen: norwegianloans@latrobe.edu.au
- Canada – get assistance and further information: ltifinance@latrobe.edu.au
- Sweden – get assistance: swedishloans@latrobe.edu.au
- UK – get assistance: ukloans@latrobe.edu.au
- Canada – get assistance: canada-loans@latrobe.edu.au
La Trobe College: your pathway to university

The La Trobe College Australia advantage

1. Guaranteed entry into second year
   Complete a diploma and go straight to second year of your degree, subject to minimum grade requirements.

2. Fast-track your studies
   Opt to complete a 12-month diploma in just eight months. This means you transition into the second year of your La Trobe degree in less than a year.

3. Ideal learning environment
   Benefit from small class sizes and new buildings featuring the latest technology. Access free support services including one-on-one tutoring, English improvement sessions and study skills workshops.

4. The university experience from day one
   Study on campus at La Trobe University in Melbourne or Sydney. You’ll immediately feel like a university student, with access to all the best facilities, social activities and clubs.

5. Expert teachers
   Maximise your learning with highly qualified lecturers who specialise in university preparation. They understand the unique needs of international students transitioning to a new culture, language and education system.

Pathway programs

Foundation Studies
These programs help you transition from international studies to an Australian degree, preparing you to enter the first year of a range of university degrees. Foundation Studies is equivalent to an Australian secondary school qualification.

Diploma programs
These are equivalent to the first year of your chosen Bachelor’s degree. The program’s content is designed to closely match your chosen degree. Once you have completed the Diploma and met the progression requirements of your course, you can transition into the second year of your chosen Bachelor’s degree.

Postgraduate Enabling Program (PEP)
If you don’t meet the academic or English requirements for direct entry into postgraduate study, PEP provides a pathway into a range of La Trobe University Master’s degrees. This Program provides the disciplinary knowledge and skills required for your Master’s degree, as well as equipping you with the communication skills needed in the professional environment.

Your pathway options

Option 1
Year 11 or equivalent
Academic English (if required)
Foundation studies
Diploma
Year 2
La Trobe Bachelor’s degree

Option 2
Year 11 or equivalent
Academic English (if required)
Foundation studies
Year 1
La Trobe Bachelor’s degree

Option 3
Year 12 or equivalent
Academic English (if required)
Diploma
Year 2
La Trobe Bachelor’s degree

Option 4
Bachelor’s degree
Postgraduate Enabling Program
Year 1
La Trobe Master’s degree

English for Further Studies
If you don’t meet the language requirements of your course, you can study English on campus in Sydney or Melbourne before progressing directly to your pathway course or La Trobe degree.

Postgraduate Enabling Program (PEP)
If you don’t meet the academic or English requirements for direct entry into postgraduate study, PEP provides a pathway into a range of La Trobe University Master’s degrees. This Program provides the disciplinary knowledge and skills required for your Master’s degree, as well as equipping you with the communication skills needed in the professional environment.

Please note: Students successfully completing a Foundation Studies or Diploma program at La Trobe College Australia will receive a qualification from Navitas Bundoora Pty Ltd (CRICOS 03312G), part of the global education provider Navitas Limited.

The Postgraduate Enabling Program is an La Trobe University course, delivered on behalf of the University by La Trobe College Australia. English programs in Melbourne are delivered by Navitas Bundoora Pty Ltd (CRICOS 03312G) and in Sydney by Navitas English Ltd (CRICOS 00389M).
Study Abroad and Exchange

Study at La Trobe for one or two semesters and join over 400 international students who complete our semester-based programs each year.

An Exchange or Study Abroad experience with us can change your life. Although you won’t receive a La Trobe qualification after completing an Exchange or Study Abroad program, you will receive an official transcript confirming your results.

Subject areas
- Accounting and business
- Agricultural and environmental sciences
- Allied health and rehabilitation
- Arts, social sciences and communications
- Asian studies and languages
- Biological sciences
- Counselling and social work
- Economics and finance
- Education and teaching
- Engineering
- European studies and languages
- Health management
- Health sciences
- Historical and cultural studies
- Human biosciences
- Information technology
- Law
- Marketing and management
- Medical and psychological sciences
- Physical, chemical and mathematical sciences

Pre-Orientation trip
Ease your way into Australian life with a weekend escape to the spectacular coastline along the Great Ocean Road. Eat Aussie tucker, learn to surf, visit the iconic Twelve Apostles and maybe even see a koala or two.

Entry requirements
La Trobe usually requires a C average for entry into the Study Abroad and Exchange program (GPA 2.5). Entry to individual subjects depends on prerequisites and class limitations.

If you’re currently completing or have just completed your last year of secondary/high school, you’ll be required to meet the minimum academic entry requirements for the undergraduate degree program that best matches your Study Abroad program.

You must also provide evidence of your English language proficiency.

Exchange opportunities for La Trobe full-degree students
As a full-degree student at La Trobe, you can travel and gain credit towards your degree with a semester or a year at one of our 150+ partner universities.

If you want to study or work overseas for only a short time, there are opportunities for you to do a short-term study program or a global internship.

If you’re approved for an overseas experience, you’ll receive a grant or scholarship.

Study Abroad and Exchange
Learn more:
latrobe.edu.au/exchange-study-abroad

MORE THAN 150 EXCHANGE PARTNERS
MORE THAN 40 COUNTRIES

Study Abroad fees
Tuition fees are based on a full-time study load of 60 credit points per semester. For the 2019 tuition fees, visit: latrobe.edu.au/int-study-abroad

Exchange fees
If your home institution has an exchange agreement with La Trobe and you are nominated for an exchange placement, no tuition fees will apply. Please note: you will still need to pay accommodation and other general fees. For the full La Trobe Exchange partner list, see: latrobe.edu.au/exchange-partners

Entry requirements
La Trobe usually requires a C average for entry into the Study Abroad and Exchange program (GPA 2.5). Entry to individual subjects depends on prerequisites and class limitations.

If you’re currently completing or have just completed your last year of secondary/high school, you’ll be required to meet the minimum academic entry requirements for the undergraduate degree program that best matches your Study Abroad program.

La Trobe University is more than just a place to live. You’ll have memorable experiences and develop lifelong friendships as a part of a supportive, safe and social community.

Living on campus

On-campus accommodation is convenient and secure, with university classes only a short walk from your room. You’ll have access to furnished bedrooms, shared kitchens and computer labs, along with areas to study, relax and exercise.

We offer a range of accommodation options at our Melbourne, Bendigo and Albury-Wodonga campuses, including:
- undergraduate colleges
- postgraduate colleges
- mature-aged residences
- family unit accommodation.

La Trobe resident Orientation

We offer a special Orientation period to welcome our new residents who are studying abroad with us. There will be a range of fun events to help you settle into life at La Trobe.

Social events

Our Social Coordinators host a number of events where you will be able to meet other residents and make new friends while experiencing the Melbourne lifestyle.

Exploring Australia

Experience the best Victoria and Australia has to offer with our Outbound Program. Go on overnight ski camps, explore the Great Ocean Road, visit Uluru or swim with dolphins and seals.

Healthy and wellbeing

Our wellbeing program promotes a positive on-campus experience for our residents. Attend events covering topics such as healthy relationships, mental health, respect and physical fitness. Services include:
- individual counselling
- group programs and workshops
- self-help resources
- 24-hour student support hotline.

Off-campus accommodation

If living on campus is not for you, we can help you find off-campus accommodation close to the University, including:
- share housing
- hostels and rooming houses
- private rental vacancies
- student apartments.

Homestay

You also have the option to live as a guest in a host family’s home. This is a great way to learn more about the Australian culture while improving your English.

Making the decision to study overseas is exciting and life changing. Before you leave, it is important to consider the costs of living in Australia.

The below guide provides an average estimate of the costs associated with your studies, so that you can start planning.

Annual living costs (A$) including off-campus accommodation

How to apply

Choose your course
/Learn more: latrobe.edu.au/courses

Check the admission requirements
Make sure you meet the academic and English language requirements for your course. Find out about course requirements by visiting the relevant course page online, or visit: latrobe.edu.au/int-apply
If you don’t meet the entry requirements for your course, La Trobe College Australia, our preferred pathway provider, offers a range of programs to help you meet course entry and English language requirements. See pages 72–73 for more information.

Apply online in 3 steps
Step 1
Access the Student Portal and register as a new user:
isisprd.latrobe.edu.au/isis/Portal/ Login.aspx
Step 2
Access your email to retrieve your username and password.
Step 3
Log in to the Student Portal and start your online application.

Attach supporting documents
Complete your application by scanning and uploading the following documents to the Student Portal:
• copies of your academic qualifications in your language and in a certified English translation (you’ll need to submit original or certified copies of academic qualifications when you accept your offer)
• evidence of your English language proficiency
• any other information specified in the entry requirements for your course
• any supplementary application forms that are required.
Note: if you want to apply for a credit transfer, you will be required to provide your course syllabus or course outlines.

Accept your offer
Once your application is approved, you’ll receive an email with your offer letter and a step-by-step guide on how to accept your offer, pay your tuition fees and provide any outstanding documents.

Apply for your student visa
Once you have accepted your offer, you will receive a Confirmation of Enrolment (CoE). This enables you to apply for an Australian student visa.
latrobe.edu.au/student-visa

Note: you can also apply to study at La Trobe via post, fax or email. Alternatively, you can deliver your application form and documentation in person at:
La Trobe University International Admissions Sylvia Walton Building Plenty Road and Kingsbury Drive Melbourne Victoria Australia 3086
E intapplication@latrobe.edu.au
P +61 3 9479 3660

How to apply

Apply for your student visa
Once you have accepted your offer, you will receive a Confirmation of Enrolment (CoE). This enables you to apply for an Australian student visa.

La Trobe University acknowledges that our campuses are located on the lands of many Traditional Custodians in Victoria and New South Wales. We recognise their ongoing connection to the land and value their unique contribution to the University and wider Australian society.

La Trobe University is committed to providing opportunities for Aboriginal and Torres Strait Islander people, both as individuals and communities, through teaching and learning, research and community partnerships across all our campuses.

The wedge-tailed eagle (Aquila audax) is one of the world’s largest and the Wurundjeri people – Traditional Owners of the land where our Melbourne campuses are located – know the wedge-tailed eagle as Bunjil, the creator spirit of the Kulin Nations.

There is a special synergy between Bunjil and the La Trobe University logo of an eagle. The symbolism and significance for both La Trobe and for Aboriginal people challenges us all to gamagoen yarrbat – to soar.
