

Choose your path: Project or Placement?

Both opportunities boost your employability with hands-on experience, networking and a stronger CV

Placement

Hands-on industry experience

Set your schedule, on-site, online or combination

Practical learning in a workplace

Student or Uni sourced placements

Competitive entry, may require interview

Assessed via plan, presentation and reflection

Project

Solve real client challenges

Flexible and hybrid

Project-based collaboration

Clients sourced by La Trobe

Guaranteed entry if pre-requisites are met

Assessed via plan, reflection and report
